## Youth Development:

Nurturing the potential of every child and teen. At our YMCA, we provide a safe, fun environment for children during after school programs to give working parents piece of mind; help children discover friendships and build confidence at summer camp, and ensure that every child can safely enjoy water activities for life; and much, much more.

## Healthy Living:

Improving Marquette County's health and well-being. The YMCA is committed to helping children, adults and families of all ages and abilities lead healthy, active lifestyles. We help cancer survivors feel alive again, ensure that seniors are active older adults, help individuals lose weight and gain confidence.

## Social Responsibility:

Giving back and providing support to our neighbors. We offer volunteer opportunities for members to give back to their community through both the YMCA and other non-profits. Our financial aid program ensures that all YMCA programs and services are available to anyone, regardless of ability to pay.

**(at the YMCA)“You can be running on a treadmill next to a doctor and an individual who lives below the poverty line and no one minds. Everyone is greeted and cared for the same”--Christina**

The YMCA of Marquette County is driven by the stories and the faces of our community of members. Look for snippets of these stories sprinkled throughout this program guide. These are the stories of a "Better Us" and we are honored to share them.

# WEST END

350 Iron Street Negaunee, MI 49866

"My story begins when I was 13. I wasn't the smallest kid in the world and I was dealing with extreme mental health issues. I started working out and was doing great. At the age of 15 I relapsed into drugs and was hospitalized twice. That's when I found the Y(MCA.) This has been my therapy and my get away for two years now. I come every day for 2-3 hours to help myself. Now everyone asks me to train them because of my physical appearance. The Y is my home."

--Brendan, 17 yrs old
