WORKSHOPS

WORSHIP WORKSHOP | KAITLYN MCKINNEY & CHRISTIAN DAWSON

Kaitlyn McKinney and Christian Dawson have been traveling and performing music together for the past 5 years. In those five years they have sang in front of over 50,000 people. Previously a part of the band Crossing, Kaitlyn and Christian now form a duo called McKinneyDawson. They are currently writing for a new EP they plan to release in the spring of 2017. In their session, Kaitlyn and Christian will talk about worship leading, singing, playing, writing, and take time to answer questions from the audience related to music and leading worship.

HUH? | JOSH JAMISON

We're all saying something. Whether it's through preaching, singing, song writing, or art, it all has a message. As a communicator it's not simply enough to know what you're trying to say, but to ask this simple yet challenging question: "Can people understand what I'm trying to say?" In this workshop we will tackle some simple and transferable basics about how to make your message stick!
