International Learning Center

We will only offer online classes to begin the Winter semester. Registration fees will be waived for the semester. We need additional online teachers who would like to have conversation with internationals who are probably located in their own country. This past month teaching a Christmas devotional to online students from Ecuador, Spain and a Chinese student in Gainesville was such a joy. Being able to share the Word while teaching international students English is truly a blessing! Please be in prayer for additional teachers and future students. Also, be in prayer for financial gifts to the ILC. It has been a difficult year financially for the International Learning Center. I wish to say thank you to those of you who send a designated check for the ILC. Our operating budget is supported by gifts churches and people like you. Blessings to you,

Mary Lynne Moore, Director, ILC
