Every Child has a story ...

For 2.7 million children in the U.S., that story may be filled with the abandonment, loneliness, and shame that come from having a mom or dad in prison. For many, it may also include following their parents down the same destructive road to incarceration. Angel Tree®, a program of Prison Fellowship, reaches out to the children of prisoners and their families with the love of Christ. This unique program gives you an opportunity to share God's love by helping to meet the physical, emotional, and spiritual needs of the families of prisoners.

We had such a great response of people taking tags last week, we have 9 tags on the tree this morning!
