Sundays and Everyday #3 – Authentic Discussion

July 8, 2018

Pastor Joe Barth

Three Attributes our Sunday gatherings should have:

- Sacred Message
- Responsive Worship
- Authentic Discussion

Today – Authentic Discussion

Acts 2:42 - All the believers devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals (including the Lord's Supper), and to prayer.

In this verse, we find that as the church started there were these four statements made about what they devoted themselves to.

- Apostles Teaching – “Sacred Message”
- Prayer – “Responsive Worship”
- Fellowship – “Authentic Discussion”**
- Sharing in Meals – “Authentic Discussion”**

Fellowship (defined here)

- Def. 1-friendly _____, especially with people who share one's interests – “What's Up?”
- Def. 2-a group of people meeting to pursue a _____ or aim - “We do the same things”
- Def. 3-a guild or _____ – “We are on the same team”
- Def. 4-the _____ of a fellow of a college or society – “We are family”

Sharing in Meals (what does food and/or drink do for the gathering?)

- Share in base level & _____ need
- Creates something _____, while face to face
- The physical is satisfied making way for the _____ and _____ needs to be met

Acts 2:43-47

Discussion - Part 1:

Can you share about a time you were part of a team you really enjoyed being with? (sports, work, church ministry, etc.)

What made that experience meaningful for you?

Discussion - Part 2:

Generally speaking, how well do you enjoy being in a group setting?

What makes for a positive experience when working with or hanging out with a group?

Discussion - Part 3:

How can Rochester Life become an even stronger family that people want to be a part of?

How can we "add to our number daily?"
