MINISTRY GOES ON

“And I thank Christ Jesus our Lord, who hath enabled me, for that He counted me faithful, putting me into the ministry” 1 Tim. 1:12.

The ministry goes on, as we wait for the manifestation of a promised building. Several people have found us through the internet, and we have found a way to meet them, pray for them, and watch as God heals them and delivers them. We prayed for one lady to receive deliverance, and after the deliverance, she received a prophetic word. Then, she got slain in the spirit, and while she was under the anointing, God touched her and healed her back.

Our little Bible study continues to meet and it is growing. Recently, we have had two deliverances there as well. One gentleman received several prophetic words from Prophet Theodore, which have started to come to pass already, and he is growing quickly in his faith and love for God. We are grateful to see God working His wonders daily.

*And I thank
Christ Jesus our
Lord, who hath
enabled me, for
that He counted
me faithful,
putting me into
the ministry.*

HEALINGS!

God has done some awesome healings in our midst recently! One man came to the Bible study who had lost a limb, and was in a wheelchair. He was still experiencing pain in the leg where the limb was gone. After prayer, he said that he had felt Jesus touching him on the back, and the pain in his leg had left, and he felt better immediately.

Another man who came on the same night had stomach cancer. When Prophet Theodore prayed for him, he began walking around with ease and praising God (Prior to this, he could not walk around without a cane and personal assistance.). As he kept walking around, he got so excited. Then, Theodore prayed for him to be filled with the Holy Spirit. He was filled immediately, and he continued talking in tongues for about 20-30 minutes as God continued to deliver him and heal him more and more.
