Videos, Videos, and More Videos!!!

This season, we have been extremely busy with making videos. We have completed another instrumental worship video. This time, the songs have a focus on our response to God's love. It is titled, "Pour My Love on You."

In addition to the instrumental video, we have completed four videos teaching piano. Three of these videos are based on the "Worship Now" book with teachings on basic rhythms, introducing the notes on the keyboard, and learning all the major and minor chords. The fourth video teaches a song, "Let it Rain". For those desiring to learn to play the keyboard and worship the Lord, be sure to watch these videos!

Finally, Theodore also released a video about Trump's courageous decision to recognize Jerusalem as the capital of Israel. More about this in "A Historic Moment for Israel". Go to www.cthim.org to find links for these videos+more.

LET THE WORD GO FORTH!

"So shall My word be that goes forth from My mouth; It shall not return to Me void, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it." Isaiah 55:11

As Theodore preached the word of God in Cleveland, it certainly went forth and accomplished God's purposes. Several people that attended were eagerly taking in the word to prepare for what God was calling them to do. Others were touched to the core, and convicted. God did his work by bringing them personal deliverance, healing, and words of knowledge that confirmed what the Spirit was speaking to them.

Excerpts from the Sermon on “Spirit, Soul, and Body”

By: Theodore Aluoch

When you become born again, your spirit and God’s Spirit become one, and walk together. The soul, the Adamic nature, is in battle with the spirit nature (saved nature/new creation).

“The first man Adam became a living being; the last Adam a life-giving spirit.” *1 Cor. 15:45*
 Adam’s body had been formed by God from the dust of the earth, a lifeless human body lying on the ground. God leaned over and breathed His own breath of life into man’s nostrils; God is the Source of life, and He directly placed life within man. *Gen. 2:7* tells us that man became a living soul. The word soul in Hebrew is ‘nephesh’, which means “an animated, breathing, conscious, and living being”. This breath of God is the life and power of God given to man to animate him. The Hebrew word for spirit, ‘ruach’ means “wind, breath, air”. God’s life lives on and on. *see p. 3*

A Historic Moment for Israel and the US

On December 6th, President Trump changed two decades of Middle East policy by acknowledging Jerusalem as the capital of Israel. As Mr. Trump noted in his speech, the action of past presidents to continue to waive their decision to recognize Jerusalem was not producing any results, and it was time for a change. This was a brave move for a President, and an important decision for the United States. Biblically speaking, God says that He will bless those who bless Israel. *Gen. 12:3, Gen. 27:29* (Note that this second Scripture refers to countries as well as to individuals.) Because of this decision, our nation now has God’s blessing of protection in a way that we haven’t experienced for many years.

With an attack on the New York subway just days afterward, it has some people accusing Trump of *not* protecting our country, and inviting terrorists to attack. But the fact remains that no one died, and only four were injured in this subway attack. If Trump had not made this decision for Israel, this subway attack would certainly have been more deadly. Some time ago, the Lord gave Prophet Theodore a word about a subway attack in NYC, in which he saw many deaths. (see YouTube video titled: “The Persian Pact Prophecy”) Now, the Lord has revealed to him that this recent attack was what he had seen; however, because Trump recognized Jerusalem, God protected America, and the terrorist was not successful in causing the deaths he had planned. Just like in the days of Jonah, God has delayed his judgement on America, because our President responded to His Word, and blessed God’s people. *By: Esther Upham Aluoch*

Theodore has two new videos: the first detailing Trump’s decision to recognize Jerusalem as the capital of Israel, and the second explaining his NYC subway prophecy, and how these two relate in the heart of God.
