They provide ultrasounds, education, mentorship, and material support – all for free, because of the support of churches like Heritage. **The Baby Bottle Benefit is online, but if you aren't able/aren't sure how to give online, you can still give along with your offering through Heritage with BBB in the memo or drop your gift in the baby bottle in the hall.**

### May 'First Supper Sunday Lunch', 5/5

## God's Kingdom Building: Harvest USA

### We praise the Lord because...

- **More than 500 people have already signed up** for our first two video courses, geared to help parents and church leaders disciple children and teens in a biblical view of sexuality. These resources are free for families and churches. **Visit [HarvestUSA.org](http://HarvestUSA.org) for more information.**

- **Our leadership team meets with our Board of Directors this month.** We praise God for their godly oversight of Harvest USA. As always, they need God's wisdom (James 1:5) so they might discern his perfect will (1 Kings 3:7-14).

- **Five men recently graduated from our Discovery Group**—our advanced-level support group ministry. This life-on-life discipleship offers hope in the gospel, nurtures greater purity, and gives hope for faithfulness to those dealing with sexual brokenness. A new group will begin this summer.

### Pray with us for...

- **Wisdom for our leadership team as they seek to hire new staff.** Too often, those who contact us seeking help must wait weeks and months due to the limited number of staff. We continue to trust God to raise up godly men and women who are qualified and prepared to serve.

- **Those involved in our men's and women's support groups, especially those who are married.** Husbands and wives face many challenges as they deal with deep brokenness. Please pray they seek to be nourished by God's Word, transformed by grace, and learn to trust again as they walk this narrow path of repentance and greater freedom.

- **Our staff's upcoming busy travel season.** We'll be visiting churches to update them about our ministry opportunities and challenges and attending and speaking at several major conferences and denominational meetings throughout the Philadelphia region, plus North Carolina, Colorado, Texas, Virginia, Rhode Island, and Indianapolis. These are wonderful opportunities to meet ministry partners, pray with people who share their burdens and struggles, and establish stronger relationships with those who support Harvest USA.

**Women of Heritage, have we got a 'First FriYAY' for you!**
