Heritage Kids

Nursery is available for **infants-PreK** during worship (if staffing allows). Feel free to use it for however much of the service you desire.

Junior Church is available (if staffing allows) during the 2nd half of the service for kids **kindergarden-4th grade**. Children will leave during the songs before the sermon and return during the final song. The classroom is in the back of Fellowship Hall - straight out the back of the sanctuary.

Red Folder activity pages are also available at the table by the sanctuary door for anyone who wishes to use them.

God's Kingdom Building:

**Andrew & Megan Nairn,
serving with MTW in Tokyo, Japan**

- Thanks for November's church planting conference, where people in church planting and supporting ministries throughout Japan are gathering together to share ideas and encourage one another. **Pray for continuing growth of God's kingdom in unity here in Japan moving forward after such a gathering.**
- Thanks for the youth who have been attending music gatherings, and learning new praise songs and new instruments to play together. **Pray they will continue to grow in this.**
- Thanks for the thousands of people who came through the walking street during two festivals where we had an outreach ministry. **Pray that they will continue to have positive encounters with Christians, and some will follow up, join in Christian community, and connect to the churches there.**
- Thanks for the rain holding off during the mini-retreat of outdoor worship at the park in Tokyo. **Pray for the people around who became curious about our songs and Christian worship, that their curiosity will grow.**
- Thanks for providing a permanent space for the church in Tokyo (starting from next April). **Pray for all the plans, designs, fund-raising, and efforts of everyone involved in getting that set up.**
- Thanks for our growing family. We are expecting child number six this summer. Everyone is excited. **Pray for the health of Megan and the baby, and for figuring out the birth process here in Japan.** Megan has found a recommended medical center within a few minutes walking distance to have appointments, and has been talking with a local friend who is a midwife to learn about the process here in Japan.
