God's Kingdom Building: (MNA) Mission to North America Disaster Response

Update March 5

Relief work is continuing in Western North Carolina as we are hosting about 60 RUF students from various campuses over the next week. They could have gone to the beach or skiing out west on their break. Instead, they made a decision to provide relief in the mountains by building Sheds of HOPE. So thankful for this group.

Update March 13

Dear PCA friends,

As you gather for worship this weekend please pray for your MNA Disaster Response team. We will gather at our training center in Rome, GA next week to debrief our response to Hurricanes Helene and Milton. Our desire is to reflect, using a SWOT analysis (Strengths, Weaknesses, Opportunities & Threats), make adjustments, and grow in competency and capacity to serve you even better going forward.

Update March 17

A strong, deadly storm system marched through many states over the past few days leaving much death and destruction in its wake. At least 32 lives have been lost and several are missing. The damages began with a wildfire in OK that caused a total loss of a PCA deacon's home and impacted many other congregants in Stillwater. A fire at First PCA in Atmore, AL caused major damages to their church plant. Assessments are ongoing with reports of additional damages expected.

Please pray for those who have lost loved ones, those who have lost much materially, and those who have now been displaced. Please pray for the staff of MNA Disaster Response and our volunteers as we work with our local PCA leadership in assessing needs and determining how best to respond.
