

## 6.1.25 Heritage Updates

**Baby Bottle Benefit for A Door of Hope, last day!**  
**As of 5/28 they were at 64% of their Baby Bottle Benefit goal.**

*Client feedback: The staff at A Door of Hope have been compassionate and supportive of me throughout my entire pregnancy. My experience going in for an ultrasound to confirm my pregnancy was very supportive. I appreciate that they provide such a safe environment for women who may be in troubling situations. They met me with love and understanding regardless of what choice I was making. They checked in with me regularly. They invited me in to talk when I was in crisis. They referred me to a support group through a local church as well, which I continue to stay involved with. The staff really live out what it means to be a Christian, and to be truly pro-life, far beyond pro-birth.*

**Today is the final day for this year's Baby Bottle Benefit.** You can still give with your offering or online at <https://page.fundeasy.com/7154871>
