Children are dismissed during the songs before the sermon and return during the final song. The classroom is in the back of Fellowship Hall - straight out the back of the sanctuary.

## God's Kingdom Building: Josh & Kristi, serving in Kenya

*In light of everything that is happening in the M. East and Gulf region right now, we are asking for you to pray. Please join us in praying for safety for the many workers, expats, and locals across the region. It breaks our hearts to watch and to hear what is happening. It is kind of surreal to be living in a different region and on a different continent but still feel so connected to what's happening there. We've been receiving updates from friends throughout the M.East. It is an unusual time. Unprecedented in so many ways. Even as we type this, friends of ours are hearing and seeing missiles and missile interceptions around them.*

**Specifically, please pray for many who are experiencing anxiety and fear over what is happening. Please pray for protection, peace, and comfort. And, may God use this to draw others who do not know Him into His kingdom that has no end and cannot be shaken.**

Thanks for praying!

Josh, Kristi, and Rylie
