God's Kingdom Building: Happy Life Mission — Nairobi, Kenya

Happy Life Mission is celebrating their 24th birthday!

At Happy Life Mission, every rescue tells a story of hope rising from hardship. In recent weeks, we have welcomed several new children into our care—each arriving from difficult circumstances, yet each carrying a future filled with promise.

Some were found abandoned. Others were rescued from unsafe environments. All arrived in need of protection, nourishment, and love.

Today, they are safe. They are receiving medical care, nutritious meals, and the comfort of gentle arms that reassure them they are no longer alone.

Praise God with us for:

- Dennis' health (with a heart condition) has greatly improved! His heart is growing stronger and healthier.
- Continued health and well-being of the children and staff at the Mission, and a conducive environment for our operations in the Country.

Pray with us for:

- Our Education Fund to grow to help us support our students beyond high school.
- Safe travels for the groups visiting us this month.
- For the growth of both the vocational training school and the school of health sciences. For funds to support needy students who desire to take these courses.
