Prayer Concerns

*Please pray for those with cancer and other ongoing health issues. See the Blast for a list of names.

*Mel and Donna Bowman's great niece Naomi McDougal's bone marrow transplant is slowly failing and she will go through the transplant process again. Please pray that her body will accept the transplant completely this time.

*Truetta Walker, sister-in-law of Judy Waldrop, has been diagnosed with multiple myeloma. Judy would appreciate prayers on her behalf - primarily for the pain to subside or be controlled.

*Please pray for the family of James Armke for the loss of his wife, Sharon. James is the brother of Karen Burns.

*Please pray for Karen and Richard Burns. They are asking for God's guidance and peace as they find and move into a new home.

*Curtis Woodson, Jeanie Cavender's brother, has been placed in hospice care for pancreatic cancer. Jeanie is requesting your prayers for her brother.

*Dolly Montgomery will begin extensive physical and occupational therapy. A Caring Bridge site has been set up for her. To access the site, please go to the following link and register: www.caringbridge.org

Announcements

* "Thank you for all the gifts of canned goods for the pantry over the last month. We are in much better shape to help those who come by needing food assistance because of your help. You have been a blessing to many in our community. (We do appreciate plastic bags dropped off.) John and Becky Barnes"

*Donation Request: There are containers in the Fellowship Hall for donations for Open Door Recovery and His Joshua House. Coffee, household paper goods, and cleaning products are always needed.
