## *Prayer Concerns*

\*Please pray for our elderly, shut-ins, and those who are dealing with ongoing cancer and other health issues.

\*Bob Haber's back surgery went well. We created a CareCalendar for him. Please refer to the Blast for details on how to sign up to take him a meal.

\*Please pray for Geoff McElroy's dad, George. He had surgery on March 17 to repair a failed stent and aneurysm. The family would appreciate prayers!

\*Tammy Whitman, Betty Page's daughter, is facing radiation treatments on her kidney at MDA in Houston. Please pray the treatments are successful.

\*Betty Page had a fall last week and is now home. All tests have come back normal. Please pray for a quick recovery and no new fainting spells.

\*Valerie Crim is at home and feeling better. She appreciates our prayers and concerns, and she will be seeing more doctors soon.
