## *Prayer Concerns*

- \*Pray for our elderly, shut-ins, and those dealing with ongoing health issues.
- \*Ronald Delancy, friend and neighbor of Kent Karrick, is in the hospital with an infection in his body that attacks his kidneys. Please pray that the doctors can determine the source of the fever, and that Ronald will get well soon.
- \*Wyatt Long got bit by a feral cat and started rabies shots. He was not doing well and further tests revealed that he has typhus. Please pray for Wyatt as they treat him in Dell-Seton hospital.
- \*Kathy Castiglione had a knee replacement November 5. The surgery went well and she's recovering at home. Please pray for her as she continues physical therapy to help with her recovery. Paul and Kathy are very appreciative of all the prayers, cards, phone calls, and love as they deal with their health issues.
- \*Shelda Floyd's mom, Ruby Moran, is in hospice care, and Shelda requests your prayer for a smooth transition for her mom.
- \*Lee Skrabanek, Kris Neill's mom, had a stroke. She has improved enough to do rehab at The Brixton Horseshoe Bay. She is in room #606.
- \*Kay Rennick has been in remission since April 2023. She is just on maintenance pills and regular checkups. She misses everyone so much! Thanks for the prayers.
- \*Jimmie Bible is asking for prayers for Darrell. Darrell is in Baylor Scott & White with Covid. Please pray for Darrell's healing and recovery.
- \*Shannon Gage had surgery on her ear to treat Menier's Disease. Please keep her in your prayers.
- \*Bob Haber's surgery to have a nerve stimulator inserted in his back went well. He was scheduled to go home Thursday evening. Please see the Blast to see how to sign up on CareCalendar to take a meal to Bob. Please keep him in your prayers.
