

TITLE: “What Happens When We Die?”

TEXT: Job 14:14

“If a man dies, shall he live again?”

INTRODUCTION: (March 22, 2020)

You could hardly think of a more important question than this. Is death the end of a person, or is there hope that death is temporary and the dead shall be resurrected (raised from death) to everlasting life? Job believed in the resurrection; so did David and Daniel. Jesus assures us of it.

Before we deal with, ‘What WILL happen when we die?’ I want to answer the opposite question, “What DOESN’T happen when you die?”

1. You’re not _____.
2. You’re not _____.
3. You’re not in _____.
4. You’re not _____.
5. You’re not _____ saved.

Now, let's look at the question, "What WILL happen when we die?"

1. We will all face _____.
2. We will be judged according to how we _____ our lives.
3. We will spend _____ in heaven or hell.
4. What is _____ like?
 - A. It is unending _____.
 - B. It is _____ from God's presence.
5. What is _____ like?
 - A. Heaven is a _____ place.
 - B. Heaven is a _____ place.
 - C. Heaven is a _____ place!
 - D. Heaven is a _____ place.

APPLICATION:

In the end God will ask you two questions:

- What did you _____ with Jesus?
- How did you _____ your life?
