April, 2017

Dear Sister,

We are now settled in our Woman's Auxiliary Office in Detroit. Please refer to the information at the top of this letter for contact and all correspondence. Thanks for your patience.

As we celebrate the Risen Savior, may we be encouraged to do more for the one who paid it all.

On Monday, May 15, 2017 we will celebrate National Baptist Women Day of Prayer. Please refer to the attached flier for directives.

The Woman's Auxiliary will meet in St. Louis, Missouri during the Congress of Christian Education on Monday, June 19, 2017 @ 3 pm. I will confirm the place on our next communication. We will finalize plans for the Annual Session in September. We will look forward to see many of you. The information will be made available to those who cannot attend. This year's Congress Week promises to be one of the best.

The National Baptist Convention, USA Inc. Annual Session will be held in Cincinnati, Ohio September 4-8, 2017. More information will be coming soon.

Continue to pray for the leadership of our Convention, President, Dr. Jerry Young, sick and shut in, those who desire to be active and for one another.

Let us not grow weary in well doing. We shall reap if we don't faint.

In Sisterly Love,
Sister Smith
