## Greetings from Our Chairman

### Home Mission Board Statement

To promote Home Mission Ministry in partnership with the constituency of the National Baptist Convention USA, Inc., throughout the United States and the U.S. Virgin Islands.

**Rev. Leonard O. Griffin**

### Home Mission Board Goal

To spread the Gospel message of Jesus Christ and advance the Kingdom of GOD in *Envisioning Excellence in Compassion and Care.*"

### Home Mission Board Vision

The Home Mission Board of the National Baptist Convention USA, Inc., seeks to witness to the *Compassion & Care* of Jesus Christ through the power of the Holy spirit and to the glory of God. We fulfill the vision through biblical messages, ministry and mission education. In keeping with our Master's *Compassion & Care*, we believe that Jesus Christ's ministry was restorative, reconciling, and redemptive by nature. This three-fold ministry is therefore holistic, dealing with every facet of human life. Our priorities for holistic ministry include the following foci: spiritual, mental, physical, social, financial and the environment. Only by addressing human life holistically can we be faithful in empowering others to realize the abundant life for which Jesus Christ died and arose.

We partner with the constituency of the National Baptist Convention USA, Inc., its State Presidents, District Moderators, Pastors, and other clergy to provide relevant resources. These resources are designed to assist in the establishment, and/or development of Home Mission Ministry in cooperation with churches across local, global, multi-cultural and multi-ethnic territories.

Glory to God in the highest! Honor to our exceptional President Dr. Jerry Young, Vice President At-Large, Dr. Harry Blake, the walking miracle that is Dr. Calvin McKinney, and all of the Officers of our beloved National Baptist Convention, USA, Inc. and its Auxiliaries as we meet for the 139<sup>th</sup> Annual Session in the City of New Orleans, LA! I am pleased, alongside of our entire Home Mission Board (HMB) Family, to embrace the 2019 Convention Theme: *"Envisioning the Future Exceptionally Through Our Commitment to Christian Stewardship."*

While excitement grips me as we celebrate our 139<sup>th</sup> Annual Session and as we seek to fully enjoy the Southern hospitality of our brothers and sisters of New Orleans, concerns swirl around my head and my heart aches for our nation and for black and brown citizens and would-be citizens. Since our measure of missionary work focuses intently on home missions, I am sure that we find agreement that we see trouble, turmoil, tragedy, and tough times on these shores. The current POTUS, and those who support his rhetoric, tweets, actions, and policies, seem poised to roll back the hands of time to an era we once thought was dead and buried. Such unethical, unpatriotic, and un-Christian behavior by elected leaders who are not living up to the duties of their respective offices, have combined to open the door for racists and killers to gun down innocent lives in Walmart and places where leisure and shopping occur. Our missionary work at home does not cease and cannot dodge the realities faced by those who could very well be angels in our midst while we appear unaware!

Each year at this juncture, we pause to thank and recognize those of you who give generously to the HMB. We strive to make each of you feel our gratitude and love. We could not remain an efficacious ministry without your prayerful, physical, spiritual, and fiscal support. On behalf of our entire HMB family, know that every dime and every dollar given to this ministry is GREATLY appreciated.

My heart remains full knowing that our Student Internship Program helped another student this year to have an experience of a lifetime working in a missionary ministry setting. I offer my highest congratulations and thanks to Dr. Calvin Barlow, Jr. and Dr. Angelique Walker-Smith for their collective and tireless efforts to ensure that Mr. Joseph William Alexander became the HMB Student Intern for 2019. I cannot express how proud I am of the reenactment of this HMB stalwart program.

I also wish to convey sincere thanks to Dr. Willie Gable, Jr. and the Progressive Baptist Church for once again assisting and hosting us for our "Family Fun Fest 2019," as they did so the last time we visited New Orleans! We aim to leave an NBC, USA, Inc. imprint on the hearts and footprints in the lands for the Lord through this missionary effort. To God be the glory!

On Saturday, August 10, 2019 at 10AM, the New Ebenezer Baptist Church, 1236 Gregg Street, Columbia, SC and her strong Pastor, the Reverend Dr. Michael Ross, hosted our South Carolina HMB Rally. Through the herculean efforts of Reverend Samuel Fulmore, SC Fieldworker, and those behind the scenes workers at New Ebenezer and through the strong substantive preaching of our Vice Chairman, Reverend Dr. Michael Warren, the Rally netted strong spiritual and financial support. Mrs. Wandalyn K. Griffin helped by serving as receptionist for the donations registered by church representatives, and we offer our gratitude to her.

Some of those in attendance are pictured below alongside Dr. Warren:

[Pictured L-R:] *Rev. Samuel Fulmore, Fieldworker for SC, Rev. Dr. Michael Warren, HMB Vice Chairman, Rev. Dr. Michael Ross, Host Pastor, Rev. Leonard O. Griffin, HMB Chairman, and Rev. Dr. James Dukes, (Representative for the Baptist Educational and Missionary Convention of SC, Rev. Dr. Donald Greene, President).*

Dr. Warren spoke from Acts 11: 19-30. He titled the sermon, "Guilty As Charged." His theme centered around the evidence of an authentic Christian as revealed in the passage. He asserted powerfully that an authentic Christian Church is a converted church, a charming church, and a caring church. Those kinds of churches remain in high demand today given the conditions in our nation and individual communities. This message resonated with all the worshippers!

We eagerly look forward to the messages God will send through Rev. Dr. Keith B. McGee for our Awards and Recognition Luncheon and Rev. Dr. C. P. Preston, Jr. during the HMB Hour on Wednesday morning. May our great God use them mightily!

Thank you again for your continued support, as we strive to show the compassion and care of our Christ!

## Greetings from the Executive Secretary

**Rev. Gilbert Pickett, Sr.**

Greetings in the name of our Lord and Savior Jesus Christ! To our esteemed President, Dr. Jerry Young, General Secretary, Dr. Calvin McKinney, and the entire Parent Body cabinet. To Chairman, Rev. Leonard Griffin and Rev. Michael Warren our Vice-Chair and to the hard working Home Mission Board leadership and board members, once again we greet you with Jesus Joy!

The year 2018, once again, gave the opportunity for our convention to see the commitment of the HMB. Though we can celebrate our accomplishments of 2018, namely, the Mission Day project in St. Paul, MN and the numerous pastors, churches and community organizations that we have assisted, we want to be seen and taken seriously as the outreach arms of missions and the ministry of helps for our great convention.

### Congress of Christian Education Week Baltimore, MD

This year, thus far, we have had a blessed and bountiful year of ministry and outreach. While in Baltimore, the HMB sponsored our annual "offsite" Worship Service and Rally. The Rev. Dr. Donald D. Moore, Pastor, Mt. Carmel Baptist Church, Philadelphia, PA was guest preacher. I want to thank the St. Timothy Christian Baptist Church, Rev. Dr. Carl L. Washington, Sr., Pastor, for hosting that blessed worship service. A special word of thanks and gratitude to Dr. Minnie Washington, Co-Pastor for her thoroughness and attention to detail and making sure that no stone was left unturned regarding our partnership with St. Timothy.

The staff was courteous and the congregants treated us with "Five Star" hospitality. Again, we say thank you!

With the funds raised at the rally in Baltimore, the HMB was able to be a blessing to the three churches in Louisiana that were recently burned and victimized by arson in March and April of this year. We distributed \$1,000 each to St. Mary Baptist Church, Port Barre, LA, Greater Union Baptist Church, and Mt. Pleasant Baptist both of Opelousas, LA. Also, we distributed \$1,000 each to 3 local churches to support their community outreach ministries, namely, New Solid Rock Fellowship Church, Zion Hill Baptist Church and our host church, St. Timothy Christian Baptist Church. To God be the glory!

### New Orleans Here We Are!

It is truly a blessing to be in the city of New Orleans as we are here to *be a blessing*. God has once again aligned the HMB with a local church namely, Progressive Baptist Church, Rev. Dr. Willie Gable, pastor in the community of "Central City." I want to thank Pastor Gable and the great people of Progressive for their hard work and willingness to host our annual "Family Fun Fest." Nobody but God could have orchestrated the relationship between Progressive and the HMB – the right church and Pastor (with the mind to the do community outreach) May your ministry continue to grow and flourish as you have displayed a love for God and for the people of God.

Our stay in New Orleans is destined to be a Holy Ghost filled experience. We have two of the most anointed and influential Pastors and State Presidents in our convention that will be preaching for the HMB. On Tuesday at our annual luncheon, Rev. Dr. Keith B. McGee, Pastor, Messiah Temple Missionary Baptist Church, Chicago, IL, President, United Baptist State Convention of IL, and on Wednesday morning during our Rally Worship Service, the Rev. Dr. C.P. Preston, Jr., Pastor, Peaceful Zion Missionary Baptist Church, Miami, FL, President, Florida General Baptist Convention will be the preacher. It simply doesn't get any better than that. Please secure your luncheon tickets and don't be late on Wednesday Morning. This will be a week to remember.

## A Special Word of Thanks

Our gratitude also goes to our list of contributors for 2018-2019. We especially recognize the kindness of First Institutional Baptist Church, Rev. Dr. Warren H. Stewart, Sr., Pastor and Alabama State Missionary Convention, Rev. Dr. Melvin Owens, President and Rev. Dr. Vernon Swift, Immediate Pastor President as top contributors of 2018. Thank you pastors for continuing to believe in the work of the HMB. I pray that other pastors and churches will follow their lead and see the HMB as an opportunity to be a blessing to others.

## The HMB Needs Your Financial Support

Have you ever financially given to the Home Mission Board? If yes, we thank God for you and pray that we will have you continue support. If not, then why? The Home Mission Board is not a part of the budget of the Parent Body. The ministry work that we do comes solely from contributions and donations. Does your church take up a "missionary/benevolence" offering every Sunday? Does any portion of that goes towards Home or even Foreign Mission work? If the answer is no, then why not? We want you to prayerfully consider supporting our work with your financial contributions. Sowing into the work and ministry of the HMB is sowing into "good ground." Please consider making the Home Mission Board a part your annual budget. Whether it's a \$100 or \$10,000 a year, every dollar helps our efforts. We can only go, and do, and share, and give based upon what we receive. Won't you help us to continue to be the outreach arms of our great convention? Please help and become one of your supporters and contributors.

## Thank You for your Prayers and Support

In closing, I again want to thank God for the opportunity to "serve this present age, my calling to fulfill." I want to take this time to not only thank the HMB and the great people of the Mount Horeb Baptist Church of Corona, NY where I pastor, but also the Eastern Baptist Association of NY, Inc. of whom I serve as Moderator. A special word of appreciation to Rev. Dr. Carl L. Washington, Jr., President, Empire Baptist Missionary Convention of NY, Inc. for his encouraging support and his willingness to make the Home Mission work in our state convention a priority amongst the

churches of New York. I, with the help of God our Father will continue to serve with the heart and compassion of our Lord and Savior Jesus Christ. I realize that it takes an entire team to complete the assignment that is placed upon us. It's a team/family concept that will help us to be successful at doing kingdom business. Though in the midst of doing ministry, we may experience our own share of personal challenges, the HMB and myself are determined to remain focused on the task at hand. The task of displaying the "Compassion and Care" of the Master by "Envisioning the Future Exceptionally."

## National Domestic Warfare: Avoiding a New 9/11

**Rev. Dr. Charles E. Mock**

Our nation is engaged in domestic terrorism, better known as civil war. The problem, as reported by congressional representatives, there is no law that names Domestic Terrorism for what it is as there is a law for International Terrorism.

Once our political leadership passes a law or designates certain acts of violence as Domestic Terrorism, our leaders will unleash the full arsenal of its resources to combat the hatred that serves as the source of domestic terrorism against all people, but especially against People of Color.

As I write, our nation has gone from 9/11 to 9/30. In Dayton, Ohio, nine people died in thirty seconds while many others were hospitalized from a terrorist attack on innocent people. This tragic 9/30 will become our new 9/11 if we Americans and churches in particular, do not take seriously the need for recalibration of our preaching, teaching and community engagement.

Evidence of a new 9/11 is the thirty-two previous mass shootings and counting! Mess murder in El Paso, Texas, preceded the mass murder in Dayton. How many race/ethnicity-based killings are needed before we admit domestic terrorism is a present reality? At a recent Pennsylvania Baptist Congress of Christian Education, I had the privilege of instructing pastors and ministers. The subject matter was the interrelationship between Church and Family. Included in my instruction was the need for a Biblical Theology of the Family, one that treats the family holistically, and adds Community resources to the Church and Family development.

In addition, an important part of instruction was reclaiming African American Historical Memory for empowering family self-esteem. I used the children's question recorded in Joshua 4:1-18, "What meaneth these stones?" as the default setting for highlighting God's divine intervention on behalf of God's covenant community. Joshua 4 is thick with meaning for recapturing or reclaiming HIStory in the midst of our history as servants and soldiers in God's Kingdom.

A third vitally important unit of instruction had to do with how small churches can become vibrant and more relevant churches. This can be done by Inter-church, interdenominational cooperation. If we do the work of developing relationships with our neighborhood churches in a spirit of mutual enrichment and racial reconciliation, we will achieve far more than what we have satisfied ourselves with over the last ten to twenty years.

It was quite evident from our discussion that both church and national leadership have been guilty of insanity--doing the same things that no longer work, expecting different results, if we just stay the current course. As long as we do not deal with the major causes of mass murder, namely, the National Rifle Association, Mental Health resource deficits, lack of enforcement of current laws, failure to address gun manufacturers' gun purchase violations and the lack of political will on the part of the U. S. Senate in not bringing bills that can impact peoples' lives to the floor for discussion and vote.

We must learn from Congress that hoping, praying and moral-sounding resolutions of condemnation will not work without intentional action. Faith plus work and prayer plus action will earn us the results for which we pray.

What's true for our national family is true for our church family. We must work smarter rather than harder, recalibrate our curricula, consult family experts, partner with social service organizations, form

alliances or partnerships with other communities of Christian faith, etc. for transformational change.

## Mission Includes a Call to Sustainable Dignified Work!

*By Angelique Walker-Smith*

While many celebrate the 4<sup>th</sup> of July, Juneteenth is also known as Independence Day for many people of African descent who are children of enslaved African peoples. It commemorates the day when many formerly enslaved African peoples learned of their freedom as a result of President Abraham Lincoln signing the Emancipation Proclamation in 1863. Two years later, Congress adopted the Thirteenth Amendment abolishing slavery.

The proclamation ended approximately 250 years of unpaid labor by African descendants in the United States. This unpaid labor produced wealth for those who enslaved them. The National Humanities Center states: "unpaid labor was at the heart of slavery in America. Enslaved people usually worked from early in the morning until late at night. Women often returned to work shortly after giving birth, sometimes running from the fields during the day to feed their infants. On large plantations or farms, it was common for children to come under the care of one enslaved woman who was designated to feed and watch over them during the day while their parents worked."

The recent devotional in "Lament and Hope" is a reminder of how policies have not always benefited African Americans. The Fair Labor Standards Act of 1938 was a significant piece of the New Deal legislation that established a national minimum wage, maximum work, and prohibited most employment of children under 16.

## Southwest Region Report

According to Bread research, during that time period, 60 percent of African American women were working as domestic workers and 41 percent of African American men were still working as farmworkers. Others primarily worked as servers, shoe shiners, Pullman porters—considered tip-based professions. Thus, most African Americans were not able to access the benefits of the Act of 1938, widening further the racial hunger, income, and wealth gaps.

Sadly, the labor and racial inequities persist today. As recently as 2018, the Economic Policy Institute reported that black unemployment was at least twice as high as white unemployment at the national level. The same report found that in 14 states and in the District of Columbia, African American unemployment rates exceeded white unemployment rates by a ratio of 2-to-1 or higher.

Advocacy matters today! The historic and stubborn structural vestiges of the enslavement period, colonialism, and many years of racial inequities contribute today to the lack of full work with benefits and living wages for all peoples of African descent nationally and globally.

May this Quad-Centennial year help us to renew our commitment to advocate for work with dignity with and for all people (James 5:1-6) so that all may be fed. You can help Bread for the World do this by e-mailing your comments about how this can be done to [awalker-smith@bread.org](mailto:awalker-smith@bread.org).

***Dr. Robert L. Webb, Sr.***

This is a brief report concerning those impacted by the Southwest Region storms of 2017 and 2018 that the Home Mission Board gave support to.

We supplied food to families, man-power and finances. We also gave financial assistance to the Red Cross in the area. Rev. Jasper Irby head up the local branch of the Red Cross. He and his wife are giving support to mission work in the area. The Alabama Baptist State Convention gave \$1,000 in gift cards to those in need after the storm. President Vernon Swift was very supportive in our efforts to help those in need.

Members from Christian Fellowship Baptist Church, where I pastor, went to Rogersville, Alabama to help with building an addition onto their church. This group helped to build our church. I, along with my wife, Sister Meratha Webb, gave support to our own, Dr. Angelique Walker-Smith as we attended the funeral services of her mother, Elder Geneva Willis Walker. The services were held at Pine Grove AME Zion Church in (Little Texas) Tuskegee, Alabama. Dr. Angelique Walker-Smith delivered a beautiful eulogy through comforting and inspiring words of God.

The Christian Fellowship Baptist Church gave financial support to Dr. Bentley Thomas and the Virgin Island Missions after the Hurricane that devastated several islands in the Caribbean.

I thank the Home Mission Board for what it is doing in giving support to mission work. To our leaders, "Job Well Done."

## Illinois Field Worker Report

***Sister Wilma Jean Byrd***

*"Let the words of my mouth and the meditation of my heart be acceptable in thy sight, O' Lord, my strength and my redeemer." Psalms 19:14*

Greetings in the name of our Lord and Savior Jesus Christ. To our President, Dr. Jerry Young, and entire Parent Body Cabinet. To Chairman, Rev. Dr. Leonard Griffin, Vice Chair, Rev. Dr. Michael Warren, Executive Secretary, Rev Gilbert Pickett and to Home Mission Board Officers and Board Members.

Much prayer is needed all over the world. It is very hard when you do everything you can, to help and support in communities and other areas. In Chicago where I live, it seems there is no hope. Lately, we have heard about killings in El Paso, TX, Dayton, OH, Chicago, IL and many more places. We have to stay in prayer and support each other's efforts.

Thankfulness, praises and honor, to District Associations, State Conventions, United Baptist, Baptist General and all supporters, for including Home Mission Board and making us a part of your giving. This year was a blessed year in giving and supporting for Illinois. To God be the Glory.

I am blessed to work with two Conventions in Illinois. United Baptist State Convention, President, Dr. Keith B. McGee and the

Baptist General State Convention,  
President, Dr. William H. Foster, Jr.

This opportunity allowed me to work and involve myself with many exciting churches. I truly thank God for this opportunity to work with two gifted and intelligent, God sent Pastors. Support given in 2019 was excellent and very rewarding.

I am grateful for the challenge to partake in selecting our speaker for this year's Rally.

Pastor Keith B. McGee, was a Youth Preacher when I first met him. He was assigned to work with my daughter Kim, as Youth President for United Baptist State Convention. Since that time, he continued to be blessed and strived to higher heights. It has been very rewarding working with Pastor McGee.

**International Christian Fellowship for Mission** programs have been challenging, but God is an awesome God.

We have been able to sustain and continually do what God has assigned:

- ~ After School off the Street
- ~ Free Lunch Chicago
- ~ Stop the Violence Project
- ~ Back to School Bazaar
- ~ Feeding Program
- ~ Dance for Youths
- ~ Dance for Seniors

I thank God for my Home Mission Board Family. I'm thankful and we are blessed for the gifts and talents that each one has to HELP. Most of all the hearts for sharing and caring!

*"Get wisdom, get understanding; forget it not, neither decline from the words of my mouth."* Proverbs 4:5

## Pennsylvania Field Worker Report

***Sister Patricia A. White***

Since the last report I have been busy with the plans of our Pennsylvania Baptist State Convention Women's Ministry. One of the highlights of this year was the preaching of my Pastor, Rev. Dr. Donald D. Moore at the Home Mission offsite service during the Annual Congress of Christian Education in Baltimore, Maryland in June.

I am appreciative of the Pennsylvania Pastors, and churches who contributed donations to the Home Mission Board this year.

*Blessings to each of you for a healthy and happy year.*

## Summer Student intern Report

*Minister Joseph Alexander*

This report is a short description of my two months internship carried out as an Intern at the Westwood Baptist Church. During my time at Westwood, I was responsible for organizing camp activities for time spent in the classroom. This included, but not limited to: lessons, bible study, character development and field trips. Also, always supervised the students during class, swimming, and field trips. Also, time was spent supervising campers during snack time. Further, assisted staff in strengthening Westwood Baptist Church's outreach for its children at camp related to Family initiatives. I also participated in meetings to discuss new activities for the children at camp. In closing I want to thank Rev. Barton Elliott Harris for his leadership during my internship.
