The Pleasant Hill Baptist Church is currently seeking a visionary Pastor lead by the Holy Spirit who has leadership ability, pastoral skills, administrative skills, teaching and preaching ability and power, and a love for God's people.

We are a church established 98 years ago and seek a pastor fashioned after the elder/pastors of I Timothy 3:1-7, Titus 1:6-9, and I Timothy 5:19-22. We are and have been actively involved in Mission, Ministry and Christian Education. We are a caring, loving body of believers who seek to please God in all of our ways and efforts. As with all churches, we are not without problems, blemishes and weaknesses but with God's help and a servant minded Pastor/Leader; we will overcome and be the church needed in these times. Therefore, we seek a dedicated man of God to shepherd the flock. This man of God will not be perfect but blameless as scripture says and one after God's heart.
