About Us: Central Baptist Church is a 123 year old Landmark located in the Historic Five Points Community, Denver's first predominantly African-American neighborhood. This dynamic neighborhood is currently experiencing a period of resurgence and revitalization, creating new housing and business opportunities which maximize its near downtown Denver location.

Central serves as a Beacon of Hope and Salvation for this immediate community, the city of Denver, the State of Colorado and beyond.

Through the efforts of the Church leadership and the very dedicated and loyal membership, Central embarked upon a long range building project in 2004. This plan included the purchasing of the remaining city block of 2400 to 2500 California Street. In addition, this long range plan includes the retention and renovation of the old Historical Sanctuary. The first phase of the project was completed in September 2006.

Generally, the Church enjoys a dynamic, progressive Sunday School and worship service each Sunday. Our Deacon and Deaconess Ministries capitalize on the Holy Spirit already present in each member, setting the tone for the divine inspired message to come. All of our services are accompanied by a spirit filled melodious Mass Choir, Male Chorus, or Youth\Children Choir on their respective Sundays to serve, under the Direction of a very talented Minister of Music.

Our congregation is comprised of many long time, loyal and committed Christians. It's a diverse educational, socio-economical membership\audience that includes youth, young adults, singles

and many families. They are hardworking, loyal, unique, eager to learn, and determined to serve our extended communities through various ministries.

One of our Associate Ministers currently serves as the Interim Pastor. There is also a part time Administrative Secretary on Staff.
