

The congregation of Ninth Street Baptist Church located in Fort Smith, Arkansas is seeking a Christ-filled, God fearing person to serve as pastor. Our church was organized in 1884 and is celebrating 131 years in Christ. We are a Missionary Baptist Church with a small membership but have the potential to grow under an effective leader. Our search is due to the death of our beloved pastor, Rev. Andrew J. Parish, who served us faithfully for 48 years. We desire to grow as a church in Christian service and outreach in our community, as we grow individually with our daily walk with God. Of great importance is a pastor who communicates well with both children, senior adults, and works with the congregation to develop a vision for growth. Our pastor should believe that the Bible is the Word of God.
