

## Rodgers Organ - \$10500 (Ann Arbor)

Rodgers Organ manufactured in 2000. Excellent condition.

Description: 3-manual, classic black finish with transposer/tuner. Well-disposed with couplers, 2 MIDI couplers each division. Complete with 8-channel external audio system: 2 sub-woofer cabinets, 3-pairs matched speakers, Rodgers S-800 amplifier. Purchased new.

Comes with a PR-300S MIDI sequencer (floppy drive) mounted externally. Everything plays and functions beautifully with fast, responsive touch in the manuals and pedals. Sound is clean and powerful. No distortion or signal hum.

Organ can be available for pick up within 10 days of purchase. Local Pick Up preferred. However, shipping can be arranged at buyers' expense. Estimated shipping cost \$600-800 (not included in auction/list price). Starting bid \$10,500.
