

VOTER REGISTRATION!

**Our right to vote has been bought and paid for
in blood, sweat and tears!**

Exercise the power to protect it by:

- ◆ Registering yourself and five (5) family members, friends and co-workers to vote on November 4, 2014.
- ◆ Follow up to insure they get to the polls to vote on November 4th.
- ◆ Help educate others in your church and community regarding the importance of voting this year and beyond.

How We Are Helping to Educate Others:

- ◆ A Voter Registration/Education Area will be set up here at the Mount Airy Baptist Church.
- ◆ We are assisting in helping others register for Early Voting.
- ◆ Providing transportation to the polls

**Let's all do our part to bring about the necessary changes to
help our communities, cities and the world!**
