

This map of the Krepps Bridge Field is provided to help you find the many areas of interest at this year's festival.

Of special note is our Kid's Zone that features games, an inflatable, and a zipline. Have your picture taken with Kreppy the Troll! Visit our quality craft, personal and home product vendors then join in the silent auction for great baskets.

Sit and relax while listening to the entertainers on our stage, or the see the tractors on Saturday and the antique and classic car show on Sunday. Finally, join us for lunch or dinner with our homemade food and baked goods. Enjoy!
