

Merry Christmas — 2010

Scott & Marisa Smith
Missionaries to Spain

2010 in Pictures

January

Our new Speed-the-Light car gets a lot of work. Thanks STL!

For the third year in a row, we organized a Lay Leadership Conference in three different cities.

Attendance at the conference has doubled every year. There is a hunger to learn.

February

Marisa taught "Cults" for the Bible school and presided over the Bible school board.

They have asked me to preach at the Spanish A/G's General Council in February next year!

March

My mother turned 90 and, along with my sister and her husband, came to Spain for a visit!

April

We still get invited to minister to young people. At our age!

Spanish A/G leadership has a doable plan to triple the number of churches by 2020.

Capital Christian Center sent a construction team to Soria.

2010 in Pictures

May

We started teacher training seminars for children's ministries.

Jim and Judi Braddy came to visit and for ministry.

June

We always need teams to help us in street evangelism for new church plants.

September

Marisa had to go to the States for her residency, so of course she went to Miami!

And I stayed and ministered while she and her sister were gone.

October

Inaugurating new churches is fun. God is doing excellent things!

November

Then I went to Florida — to Fort Myers for a missions convention.

December

Ron McManus ministering to missionaries from all over Europe.

Christmas will be in Bilbao again with Marisa's family.

We have a web page!
www.scottmarisa.com
On it you will find videos, pictures,
information and even recipes!

This is an amazing country. Still over 1,000 castles in Spain. (Down from about 100,000 five hundred years ago.) But spiritually it is about as needy as any country in the world. Over 99% of Spaniards do not have their name written in the Book of Life! Church planting is the fastest way to reach them.

2010 has been an excellent year. The opportunities for ministry have been exciting. We want to thank the teams from the States that helped us with church planting here. Steve Skipper and the evangelism team from Cedar Hill, TX helped in Zaragoza. The construction teams from Capital Christian Center in Sacramento, Mount Hope Church in Lansing, MI and Faith A/G in Summerville, SC were such an inspiration to the Spanish believers that Marisa and missionary Guillermo Monzon have started a MAPS ministry for Spain! Soon we should have Spanish construction workers side-by-side with American teams remodeling the stonefronts for the church plants that this country desperately needs. The blessing is always more than just the visible.

You have been very, very good to us. We appreciate your prayers, your support and the many, many other things you do. God bless you. We love you.
