Project 10Million Shows Significant Increases in 2010

Jesson was the first person in the New Year to respond to Network211's Internet evangelism ministry. At 12:29 AM on 1/1/2011 he recommitted his life to Christ. In his own words Jesson, writes, "thank, you, God for making way this earth... I love you, God."

Let us rejoice with Martha from Kenya who in her own words stated, "Saved n washed with tha blood of tha lamb jesus christ. Am so glad that av connected with u want to know more about the power of God n his works, thanks."

In the final hours of 2010, we heard from Pravin in India, Patricia in the United Sates, and Tung Xuan from Vietnam; each of them committed their life to Jesus Christ.

Network211 is spreading the gospel to the whole world via the Internet. We launched our evangelism outreach on October 15, 2008. Comparing results for 2010 with 2009 we truly rejoice in the greater number of people who are finding God via our Internet evangelism ministry. Here are the comparisons:

Internet Evangelism	2009	2010	Increase
Unique Visitors	701,699	1,131,423	61%
Evangelism Responses	55,006	81,989	49%
Discipleship Responses	22,481	28,643	27%

Network211 has set a goal to present the gospel to 1.8 million people in 2011. I believe this is achievable. Why? Because we are continually adding new evangelism opportunities. This year we will launch the Spanish and Chinese versions of www.JourneyAnswers.com. A "Marriage and Family" website will be launched that will address relevant issues of hurting families.

An investment in Network211 will help us make Jesus known worldwide 24/7/365. You can affect one person for a little as eighteen cents (\$0.18) based on the last three months expense. A \$50.00 donation will allow us to present the gospel to about 278 people who are surfing the Internet looking for God.

If you would like to make a donation, do it now, by sponsoring an [Evangelism Blast \(click here\)](#).

In the last few minutes, Nothembaso from South Africa wrote in his own words, "Hi I like your message, it teaches me a lot of things, to be still and know that God is in Control of my life, as long as I let him. I pray that my heart and soul would always let him do good im life at all times Thank you."

Every 24 seconds someone somewhere is finding our evangelism websites. Thank you for making it happen.

Together in the Harvest,
Carley M. Touchstone

Director of Development
