

JEAN JOHNSON

Church Planting Around the World

This quarter (July-Sept. 2011), I invite you to listen to the podcast: "Jean Johnson - Church Planting Without Creating Dependency" via Ministry Spotlight.

Please go to: http://www.ministryspotlight.org/author/jean_johnson/.

Please pray that God will enable me to communicate with a unique combination of gentleness and boldness as I share about unhealthy dependency in a variety of contexts.

THANK YOU for your prayers and generosity.
