

Established in 1973, the **International Conference of Police Chaplains (ICPC)** is a 501 (C) 3 organization providing global training to law enforcement chaplains, liaison officers, and agency administrators.

Training provides continuing education units (CEUs), as well as equipping attendees to better serve their communities.

Available to all, our quarterly publication *The Journal* provides current articles and other information pertinent to law enforcement chaplaincy.

Membership benefits include access to educational material and a network of mutual support, as well as:

Lending Library—available through the Member's Only Section.

Credentialing—Substantiate ongoing education by pursuing the following levels: Basic, Liaison, Senior, Master, Diplomate, and Fellow (see our Credentialing pamphlet for compliance requirements).

ICPC provides support and assistance to law enforcement agencies in establishing or improving chaplaincy programs.
