

The International Conference of Police Chaplains (ICPC) serves and provides training to law enforcement chaplains (volunteer or paid), officers, and agency administrators.

Departments, regardless of size, receive the benefits and information needed to develop and/or enhance their chaplaincy program.

Training provides continuing education credits (CEU), as well as equipping attendees to better serve law enforcement officers, families, and communities.

The Journal, our quarterly publication, may be viewed on the ICPC website.

Member benefits include access to a network of mutual support, educational material, and training. A few other benefits:

Lending Library—available through the Member's Only Section.

Credentialing —Members may substantiate their ongoing education by pursuing the following levels: Basic, Liaison, Senior, Master, Diplomate, and Fellow (see our Credentialing pamphlet for compliance requirements).
