Established in 1973, the *International Conference* of *Police Chaplains* (ICPC) is a 501 (C) 3 organization providing global training to law enforcement chaplains (volunteer or paid), liaison officers, and agency administrators.

Departments, regardless of size, receive the benefits and information needed to develop and/or enhance their chaplaincy program.

*Training* provides continuing education units (CEU), as well as equipping attendees to better serve law enforcement officers, families and communities.

Available to all, our quarterly publication, *The Journal*, provides current articles and other information pertinent to law enforcement chaplaincy.

Member benefits include access to educational material and a network of mutual support, as well as:

*Lending Library*—available through the Member's Only Section.

*Credentialing* - Members may substantiate their ongoing education by pursuing the following levels: Basic, Liaison, Senior, Master, Diplomate, and Fellow (see our Credentialing pamphlet for compliance requirements).

ICPC provides support and assistance to law enforcement agencies in establishing or improving chaplaincy programs.

For more information about ICPC, such as how to become a member, or receiving a pamphlet outlining *Starting a Law Enforcement Chaplaincy*, contact:
