

The International Conference of Police Chaplains (ICPC) serves and provides training to law enforcement chaplains (volunteer or paid), officers, and agency administrators.

Departments, regardless of size, receive the benefits and information needed to develop and/or enhance their chaplaincy program.

Training provides continuing education credits (CEU), as well as equipping attendees to better serve law enforcement officers, families and communities.

The *Journal*, our quarterly publication, may be viewed on the ICPC website.
