**Votes: Now and Later**  
*a letter to the people from the Rector*

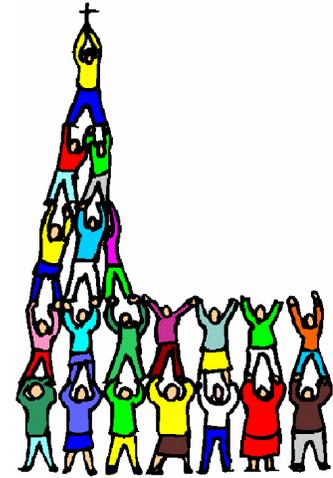

Dear People of St. Michael's,

The Vestry's decision regarding the blessing (or not) of same-gender relationships at St. Michael's is planned for Monday evening, August 26. The whole related process has clearly burdened some of us, exhilarated some of us, and left still others feeling both burdened *and* exhilarated. I hope that some of you, at least, may find some value in the following related pastoral remarks.

First, I brought this matter to the Vestry's attention two years ago partly in hopes of avoiding the kind of parish-wide

spectacle that ensued anyway. This process has included many, many good features but also flaws. Relative to the conceivable-measurable benefits, it's devoured too much time and left wounds on or inside of quite a few of us. I must assume substantial responsibility for these liabilities of the process, and I ask your forgiveness. If there are any of you to whom I should make personal amends, please let me know.

Second, I've recently winced at a few characterizations of the Vestry as a cabal (amidst other, more generous, evaluations). The only St. Michael's Vestry I know is comprised of sincere individuals who – in this matter, as with most – contribute a striking array of thoughtful perspectives. No vestry member has relished the dozens of hours they've agreed to devote to this thorny, complex, divisive matter. If you must throw stones, please aim them at me. If, on the other hand, you wish to throw a bouquet, please make it a big one and target one or all of our sacrificial, faithful Vestry members.

Third, please consider the possibility that the most decisive vote taken at St. Michael's on this matter may not be the Vestry's decision on Monday. The informal but more relevant vote (or votes) could happen anytime: this Sunday or in a decade. I'm referring to the collective "Hello! Welcome!" or the turned shoulders that will greet a gay or lesbian couple when they walk through the doors of St. Michael's together. Whatever your faith or views on questions of same-sex relationships, I gather you get this. How will we vote on that someday Sunday morning? Why?

Naturally, in the context of all that has been a blessing and all that has been difficult, all that has been and all that will be: I again ask for your prayers for all past, present and future members of the St. Michael's family.

**+ The Monday, August 26 Vestry Meeting** will take place at the church (likely in the Community Room) starting at 7 pm. This and all regular monthly Vestry meetings are open and visitors are welcomed to comment or ask questions about agenda items. Pending further discussion at the Monday meeting, parishioners will be informed of the Vestry's decision about the blessing (or not) of same-gender relationships by way of a short

letter that will be mailed next Tuesday or Wednesday.

### + September 12 Kayak Trip on the Chicago River.

Parishioner Paul Clancy has offered to organize a parish kayak outing in Chicago for September 14. Kayak and all gear will be provided for a set fee. Time on the water would be between 2-3 hours. Details to be finalized after we confirm that there

is enough interest. Share your interest or questions with Paul at [paulclancy42@gmail.com](mailto:paulclancy42@gmail.com) by Sunday, September 1.

**+ Pledge payments often lag over the summer**, as the wardens and I were recently reminded by Treasurer John Davis. He went on to also remind us that expenses *don't* lag over the summer. I got the impression that a short *Sword* poke about this might be appreciated. If you've fallen behind on your own household's pledge commitment and are able to catch up a bit - thank you!

### Little Red Wagon

During August our food collection will be going to the Families in Crisis program at Church of the Redeemer in Elgin.

Their needs are many.

Please help supply food in the Little Red Wagon to help fill one of those needs!

### In the Parish family

+Those for whom prayers have been requested:

Steve & Barb; Rollo; Scott; Ross; Evelyn; John; The Paris Family; Hugh; the Heinrich, Poll and Hubbard families; Jackie; Pamela; Brittani & Chris; Madelyn; Bryan; the Bateman family; Cindi & Mike; William; Tom & Jan; the Bullion family; George & Adonna; Connie; Paul, Chris & family; safety & peace in South Sudan; Church of the Redeemer Families in Crisis, Elgin; military troops in danger including those from our parish, especially, Zane, Ryan, Michael, Bruce, and Taylor.

+At Sunday Children's Chapel, 10 children, ages 2 to 10, worked very hard to create a poem in response to the prompt:

"If Jesus came today, I would..."

This is their poetic response:

**If Jesus came today, I would...**

**Play with him all day,  
in May.**

**I would work and help him,  
throw a basketball in the rim.**

**I would ask him to play football,  
and help him make a call.**

**I would play golf with him this noon,  
I would give him a balloon.**

**I would give him a pig, a dog and a cat,  
and we would sit together on a mat.**

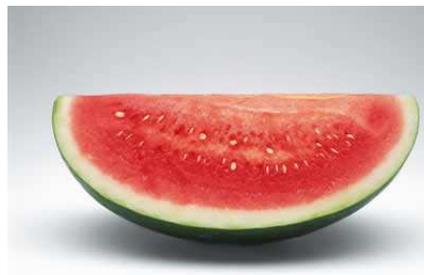

What struck me about the children's response was the simple fact that they wanted to *be with Jesus*, doing the things they do. In their words was the implicit desire to *spend time with Jesus* - not necessarily doing anything special other than doing the things they do - together - and *sharing things that delight them, like animals and balloons!* To me, this is a beautiful poem!

## A great way to serve others

On **Saturday, August 31**, we are sending a team of helpers to **Franciscan Outreach** to help serve and clean up the dinner for the homeless and hungry that they serve every night. Many folks from our church have helped with this project and it is indeed rewarding.

We need **8 volunteers** to work at 1645 W. LeMoyné St, Chicago, from 4:30 to 7 p.m. Contact [Ann Ryba, greeno51458@gmail.com](mailto:Ann.Ryba@greeno51458@gmail.com), today to volunteer. Carpoolers will depart St Michaels at 3:00 p.m.; it is also a short walk from the Clybourn Metra station if you prefer to take the train downtown.

Thanks for caring for others.

**Upcoming project will shut down the Community Room entrance - DELAYED.** The Community Room entrance will remain open until the commencement of the project - which is delayed.

**Greetings & Good  
News from Bishop  
Joseph**

Bishop Joseph Garang Atem, Renk Diocese, South Sudan, sends warm greetings to partners at St. Michael's. He is pleased to report that he has his U.S. visa and is on schedule to arrive in Chicago Sept. 5. He is especially looking forward to being with us for the third annual South Sudan Soiree, Sept. 28, at St. Michael's, a benefit for support of Renk Theological College and training of lay and clergy, men and women Church leaders. The Diocese of Renk serves an estimated population of 250,000, comprised of Christians, Muslims, and African traditional religion believers...all of whom are served by the Diocese in its schools, its clinic, and social services. Bishop Joseph is most appreciative of our prayers for peace among the people, and our support of RTC, without which the diocese would not be able to spread the Good News and do the work of peace, justice and reconciliation in a difficult time.
