

## WELCOME

Welcome to the Toddler and Preschool classes here at Grace Baptist Church!

We aim to give your child a foundation for learning about God, His love for them, and His Word, the Bible. This is done through stories, music, crafts, and a variety of other activities.

If you have any questions about the Toddler and Preschool classes, please contact the Director of Children's Ministries, Krissy Richardson, as shown on the back of this brochure.

## SAFETY AND SECURITY

The safety, security, and comfort of your child during their time in the Toddler or Preschool classes is of utmost importance to us.

- All of our teachers and helpers have undergone mandatory background checks through the church.
- We have attendants at the Security Desk during the time your child is in class.
- They ensure that all kids are signed in and out. In addition, they assign pagers to parents of toddlers so they can be contacted during the service if there should be a need for them to come and be with their child.

Reasons for being paged:

1. Child is hurt or injured
2. Child has a bathroom accident
3. Child cannot be comforted
4. Discipline issues

## DISCIPLINE POLICY

- If a child is misbehaving, a warning is given.
- If the child does not comply, he/she takes a time-out for two minutes.
- After the time-out period, the child may re-join the other children.
- If the child continues to misbehave, and refuses to comply with a time-out, the parents will be paged.
- At that time, the reason for the page will be given.

Misbehavior examples:

1. Throwing
2. Biting
3. Hitting
4. Refusing to obey

**Physical discipline is prohibited.**

## DIAPER/RESTROOM POLICY

- Potty-trained children are encouraged to remove their own clothes; staff will assist only if the child is unable.
- Children enter the restroom alone, while staff remain outside the door, assisting if the child requests.
- Older children are encouraged to close the door behind themselves.
- For non-potty trained toddlers, diapers are changed with a minimum of two staff members present. Latex gloves are used to prevent the spread of germs.

*Jesus said to them, "Let the little children come to me, and do not hinder them, for the Kingdom of God belongs to such as these."  
Mark 10:14*
