## Chick-fil-A???

On January 13, our church membership voted YES on the question: *Do you support Silverdale United Methodist Church entering into a non-binding business relationship with Chick-fil-A?* What has that meant?

In January, Brett Hall and Chris Wyatt met with our church lawyer who contacted Chick-fil-A and let them know that we might be interested in selling or leasing them part of our property, however, a committee was being formed to evaluate our church needs. Over the course of time, our lawyer has contacted Chick-fil-A two more times and let them know that we need more time to make a decision. We do not have a deadline for a final decision and have not signed any agreement with Chick-fil-A.

The Facility Vision and Planning Committee was formed and included interested members and congregants. This committee met six times in February and March and did the following:

- Reviewed the SUMC mission and vision statements and established a statement of work for the committee as follows: *To make God's house a safe, accessible, functional, and beautiful facility worthy of our Father and inspiring people to worship and serve Him.*
- Reviewed current ministries of the church and discussed which ones we might want to expand and ideas for new ministries that would support our mission and vision.
- Identified ideal facility needs for our ministries.
- Heard from a local business realtor about process IF we decided to sell part or all of our property.
- Discussed pros and cons of selling vs. leasing part of the property.
- Reviewed the list made by Trustees of critical repairs needed for the current buildings to stay functional—the list is long.

In March and April the following work was also done of by committee members:

- Visited a local church who is currently rebuilding.
- Checked on county building requirements.
- Met with two local developers, Mike Brown and Rich Rucker.
- Met with local architect, Steve Rice and team, to hear about how they might work with us to look at possibilities for remodeling our current facility or rebuilding on part of our current site.
- In April the committee met with Architect Steve Rice and team to hear a proposal for working with SUMC. The committee then voted to request funding (up to \$25,000) through the Finance Committee and Church Council to fund predesign and development work for remodeling and/or rebuilding on our current property. The funds were approved at the May Church Council meeting.

In June, the committee met with Steve Rice and team and looked at seven conceptual designs for how the current property could be used to remodel or rebuild to meet our mission, vision and ministry needs, and meet county requirements for land use. Four concepts were...

**Chick-fil-A** Cont'd....selected for further development. The next committee meeting will be in late September to look at these. The committee will present refined options to the congregation sometime in the fall, with at least two weeks between the presentation and a congregational vote on a final decision.

Questions? Feel free to ask any of the congregants who have been attending the meetings: Grant Bosshardt, Brett Hall, Chris Wyatt, Becky Peeler, Ken Koellermeier, Maggie Stasny, Bob Rosas, Alan Hunt, Judy Glenn, Shirley Theil, Larry Eyer, Harry Gilger, Dina Ginn, John Weston, Rudy Arcega, Roger Afalla, Joan Derry, Jan Rosas. *Minutes from all Facilities Vision and Planning Committee Meetings are available on the church website*

Sunday school classes for Spring quarter concluded on June 9<sup>th</sup> with a play by all our Sunday school children and some of the youth that powerfully presented Pentecost to the congregation. It was “the sermon” on Pentecost. Thanks to the Sunday school kiddos and to Mary Eyer, and the many other adults who helped, for a job well done! After the play we had the privilege of publicly thanking all the adults who helped with Sunday school this past year (Sept. – June) and of promoting Paige Cochran to the youth class. We’re so thankful for all the help and prayers of those who bless our children in Sunday school.

Yeah Summer! Summer quarter is an opportunity for teachers to rest, plan, and prepare for fall classes that will start in early September. You also have the opportunity of teaching your young children as you worship together on Sunday mornings. Ask questions and reflect on what you learned. Make it a time of worshipping God and of leaving the cares, stimulations, and distractions of daily life behind. Families with children can talk about what makes them thankful to God and about what changes God might be making in their lives. Make Sundays a time of blessed rest in the LORD.

Bringing Christmas joy to the needy children around the world. Helping in Jesus name! During the months of July & August, we will be collecting school supplies. Pencils, pencil sharpeners, erasers, scissors, crayons, markers, colored pencils, & notebooks. We currently have enough pens. If you have your pencil bags sewn, please bring them to church and put them in the OCC Basket in the Foyer. Thank you so much! Gloria Lee 360-509-9105

**The Service of Passionate Devotion: John 21:16**  
*By Oswald Chambers, My Utmost for His Highest, June 19*

Jesus did not say to make converts to your way of thinking, but He said to look after His sheep, to see that they get nourished in the knowledge of Him. We consider what we do in the way of Christian work as service, yet Jesus Christ calls service to be what we *are* to Him, not what we *do* for Him. Discipleship is based solely on devotion to Jesus Christ, not on following after a particular belief or doctrine. “If anyone comes to Me and does not hate..., he cannot be My disciple” (Luke 14:26). In this verse, there is no argument and no pressure from Jesus to follow Him; He is simply saying, in effect, “If you want to be My disciple, you must be devoted solely to Me.” A person touched by the Spirit of God suddenly says, “Now I see who Jesus is!”— that is the source of devotion.

Today we have substituted doctrinal belief for personal belief, and that is why so many people are devoted to causes and so few are devoted to Jesus Christ. People do not really want to be devoted to Jesus, but only to the cause He started. Jesus Christ is deeply offensive to the educated minds of today, to those who only want Him to be their Friend, and who are unwilling to accept Him in any other way. Our Lord’s primary obedience was to the will of His Father, not to the needs of people— the saving of people was the natural outcome of His obedience to the Father. If I am devoted solely to the cause of humanity, I will soon be exhausted and come to the point where my love will waver and stumble. But if I love Jesus Christ personally and passionately, I can serve humanity, even though people may treat me like a “doormat.” The secret of a disciple’s life is devotion to Jesus Christ, and the characteristic of that life is its seeming insignificance and its meekness. Yet it is like a grain of wheat that “falls into the ground and dies”— it will spring up and change the entire landscape ([John 12:24](#)).

July 2nd — Steve & Becky Twiss — 34 years!  
July 26th — Les & Marqe Scholfield — 69 Years!!
