The great "**CRUSADE FOR CHRIST 2019**" will be held in Fort Worth, Texas, **June 23-June 28, 2019** at the **Fort Worth Convention Center**. This phenomenal evangelistic campaign is the largest of its kind among Churches of Christ. The Lord has truly blessed this effort and each Crusade grows in attendance and the number of seeds planted for the Lord. We believe this **Crusade** will be the best ever and we want to encourage **YOU** to make plans now to attend. We desperately need your help — through prayers, financial support, and attendance — to continue this evangelistic effort.

NATIONAL DIRECTOR

Dr. Daniel Harrison
(773) 723-8579
(708) 957-5815

The **2017 CRUSADE FOR CHRIST** in Charlotte, NC was magnificent. Our foot soldiers knocked on over 6,500 doors. **We witnessed a great number of restorations and 42 souls were baptized into Christ.** Bible classes continue to be taught in that city as a result of the Crusade.

**DIRECTOR/
STAFF & FINANCE**

John H. Dansby, Sr.
(318) 221-8120
(318) 929-0054

2019 will mark the **40th Anniversary of the Crusade** and we want to enter Fort Worth with a great number of Christians, to take the city for Christ! We want the world to know that the Church of Christ is a caring group of Christians spreading the Gospel so that "We May All Be One." Please tell **everyone** you know about the **2019 Crusade for Christ** and encourage them to attend. Many from across this great brotherhood have indicated **that they did not receive any word of the past Crusades.** Therefore, we earnestly solicit your help in getting the word out concerning this enormous evangelistic effort.

Culinary Apprenticeship Program— Chef de Partie/ Line Cook

Meeting the Needs of the Growing Hospitality Industry

The Chef de Partie/Line Cook Apprenticeship Program prepares workers for culinary positions in a variety of kitchens at hotels, restaurants, airport concessions and other UNITE HERE Local 5 locations. This competency-based program is approved by and registered with the U.S. Department of Labor (DOL). The program begins with 150 hours of classroom and kitchen training to produce highly skilled workers. Next, apprentices are hired and continue apprenticeship training on the job with ongoing review by HTA's instructors.

Our industry partners have spoken and we've heard what matters to them:

The right skills
Good work habits
A great attitude!

How HTA Helps Businesses Meet Their Workforce Training Needs:

Most culinary programs consist of thousands of hours of coursework designed to produce Executive Chefs. HTA understands that businesses generally prefer to hire at the Line Cook level and to train to industry specifications on site. Our program does just that by measuring skills based on the apprentices' demonstration of competencies while performing actual work.

Candidate Assessment and Selection: Ideal Line Cook candidates are not necessarily those with experience. Our admissions process includes aptitude assessments (such as hand-eye coordination) and looks for individuals who demonstrate natural abilities and strong motivation to learn the skills required to succeed in accelerated training and high-volume work environments.

Intensive Skills Training and On-Going Evaluation: Training is extremely fast-paced. During more than six-weeks of full-time training, apprentices receive instruction from our Culinary Instructors and develop skills through trial, error and success. After each day of training, students spend their evenings studying to reinforce the information taught in the kitchen. At the end of the program, students earn the following certifications:

- ServSafe Food Handler
- American Hotel and Lodging Educational Institute (AHLEI)
- Hospitality Training Academy (HTA)
- U.S. DOL Registered Apprenticeship

Continuation of Competency-Based Skills Development: As students near completion of up-front training, they participate in interviews with Executive Chefs, Directors of Food and Beverage, and Human Resource Directors from top union hospitality employers. Once hired, training continues in accordance with the U.S. DOL apprenticeship standards, and skills are certified by demonstration of competency in the workplace by both the HTA Instructor and the employer.

Culinary Apprenticeship Program— Chef de Partie/ Line Cook

Training Program Content

The Chef de Partie/Line Cook Apprenticeship Program consists of 150 hours of upfront, lecture and hands-on training by HTA Culinary Instructors followed by a minimum of 1,000 hours of work-based learning with their new employer. Training is comprised of ServSafe Food Handlers Certification (6 hours) and Fundamentals of Culinary Arts (144 hours), and then reinforced through the AHLEI training that the students complete online as homework. Key program content and skills/knowledge includes:

Fundamentals of Culinary Arts (144 hours): The course teaches skills necessary to successfully enter the culinary industry at the Chef de Partie/Line Cook Level. Among the topics covered are: a brief history of the culinary arts, as well as fundamental concepts and skills, coupled with the traditional techniques involved in basic cookery.

Upon completion of the Culinary Apprenticeship program, apprentices are able to:

- Practice standards in work attitude and deportment expected of industry professionals within a group work environment.
- Identify basic kitchen utensils, measuring devices and equipment associated with the culinary profession.
- Comprehend culinary terminology as they use standardized recipes for menu production with quantity conversion.
- Perform precise classical knife skills, and proper preparation techniques to clean and cook food items for maximum yield.
- List and describe the method of preparation for stocks, thickeners, foundational/derivative sauces, and soups.
- Demonstrate knowledge and the ability to fabricate poultry, beef, pork, fish, seafood, and shellfish.
- Prepare and apply major cooking techniques for various cuts of meat, poultry, fish, and seafood, vegetables, fruits, and starches. (braising, poaching, etc.)
- Prepare and apply the basics of breakfast cookery, including knowledge of eggs, breakfast meats, and breakfast starches.
- Demonstrate an ability to set up a buffet line for service.

Room Attendant Apprenticeship Program

Meeting the Needs of the Growing Hospitality Industry

The Room Attendant Apprenticeship Program prepares workers for housekeeping positions in a variety of UNITE HERE Local 11 hotels. This competency-based program is approved by and registered with the U.S. Department of Labor (DOL). The program begins with 153 hours of classroom and mock hotel room training to produce highly skilled workers. Next, apprentices are hired and continue apprenticeship training on the job with ongoing review by HTA's instructors.

Our industry partners have spoken and we've heard what matters to them:

The right skills
Good work habits
A great attitude!

How HTA Helps Businesses Meet Their Workforce Training Needs:

Most room attendants get training on the job as needed. Our program provides employers with a pool of qualified candidates who are knowledgeable of the industry standards and have a proven record of meeting employer expectations.

Candidate Assessment and Selection: Ideal Room Attendant candidates are not necessarily those with experience. Our admissions process includes an extensive interview process and looks for individuals who demonstrate the ability and strong motivation to learn the skills required to succeed in accelerated training and high-volume work environments.

Intensive Skills Training and On-Going Evaluation: Training is extremely fast-paced. During more than six-weeks of full-time training, apprentices receive instruction from our Room Attendant Instructors and develop skills through trial, error and success. After each day of training, students spend their evenings studying to reinforce the information taught during the day. At the end of the program, students earn the following certifications:

- American Hotel and Lodging Educational Institute (AHLEI)
- Hospitality Training Academy (HTA)
- U.S. DOL Registered Apprenticeship

Continuation of Competency-Based Skills Development: As students near completion of the front-loaded curriculum, they participate in interviews with General Managers, Housekeeping Directors, and Human Resource Directors from top union hospitality employers. Once hired, training continues in accordance with the U.S. DOL apprenticeship standards, and skills are certified by demonstration of competency in the workplace by both an HTA Instructor and the employer.

Physical Requirements for Hospitality & Food Service Careers

Many jobs within the hospitality and food service industry require a great deal of physical stamina. Often, workers are expected to move, lift and carry items ranging in weight from 10 to 100 pounds.

Room Attendant Apprenticeship Program

Training Program Content

The Room Attendant Apprenticeship Program consists of 153 hours of upfront, lecture and hands-on training by HTA Room Attendant Instructors followed by a minimum of 1,000 hours of work-based learning with their new employer. Training is comprised of Room Services (80 hours) and additional modules including Hotel Operations, Technology and Social Media, Ergonomics, and Awareness of Safety and Security (73 hours). The training is then reinforced through the AHLEI training that the students complete online as homework. Key program content and skills/knowledge includes:

Room Services (80 hours): The course provides students with the actual hands-on training and competencies needed to successfully and safely perform the duties of room attendants within the required time of fourteen rooms per day. This course will cover all facets of room cleaning including, but not limited to ergonomics, chemical cleaners, biohazards, bedmaking, bathroom, floors, amenities and more.

Upon completion of the Room Attendant Apprenticeship program, apprentices are able to:

- Practice standards in work attitude, understand expectations of employers and employ the skills necessary to satisfy and exceed those expectations.
- Identify basic cleaning tools, linens and amenities and prepare the linen cart before service.
- Understand green initiatives and eco-friendly chemical cleaners.
- Know how to enter a room following hotel policy.
- Assess and respond to different types of cleaning needs, damage, missing items or illegal items.
- Understand which protective personal equipment (PPE) is necessary for each task.
- Understand OSHA regulations and follow safe practices when dealing with sharp objects, chemical cleaners, and bloodborne pathogens.
- Develop safe ergonomic practices related to specific work tasks.
- Understand different types of communication and appropriate etiquette for guest interactions.
- Demonstrate the ability to clean fourteen rooms in one shift and evaluate the room during the final walkthrough.

Do you take several medications, or help someone manage their many medications?

Taken correctly, medications can help us feel better and live longer. But making mistakes with medications can lead to serious health problems.

The good news is that a team of experienced pharmacists and nurses is here to help. The C-MEDS program from Independence at Home helps seniors and their caregivers take medications safely for better health. ***Even better news: the C-MEDS program is free.***

Do you know someone who needs help managing their medications?

Medications can help us feel better and live longer, but they can also be dangerous if taken the wrong way. Many people make mistakes when taking their medicine. In fact, about 50 percent of patients do not take their medications as prescribed.* These mistakes can cause serious problems, ranging from falls to medical conditions, hospital stays and even death.

The good news is, we have an experienced team of pharmacists and nurses to help you manage your medications. Our goal is to help minimize problems with medicines to increase health outcomes with safe medication use. Medication Safety Program services are provided at no cost to the community.

Do these questions apply to you—or someone you care for?

- Do you take five or more medications?
- Does more than one doctor prescribe medications for you on a regular basis?
- Do you get your prescriptions filled at more than one pharmacy?
- Is it hard for you to take your medications as prescribed, or do you sometimes choose not to?
- Are there any medications that you need that you are unable to get?
- Do you have questions about how your medicines work and how to take them?

If you answered yes to any of these questions, call us today for help: 866-421-1964

To be eligible for this program, you must be:

- An adult 55 years and older who is having issues related to medication management.
- An adult caregiver who assists a person 55 years and older with their medication management.
