Shelter in the Time of Storm

Isaiah 25:4 & Isaiah 4:6

Brought to you by

The Ladies of the Myrtle Avenue Church of Christ

Motivational Speaker: Marilyn Hamblin - Myrtle Avenue Church of Christ

The Ladies of Myrtle Avenue Church of Christ cordially invite you to our Ladies Day Program on **Saturday, May 18, 2019 at 8:00 am**. We have been working diligently to plan a day of praise, fellowship and fun. The morning will be filled with activities, discussions and spiritual reflection. This year our motivational speaker will be Marilyn Hamblin of the Myrtle Avenue congregation. The sisters at Myrtle Avenue Church of Christ hope to inspire and encourage you as we reflect upon our theme:

“Shelter in the Time of Storm”

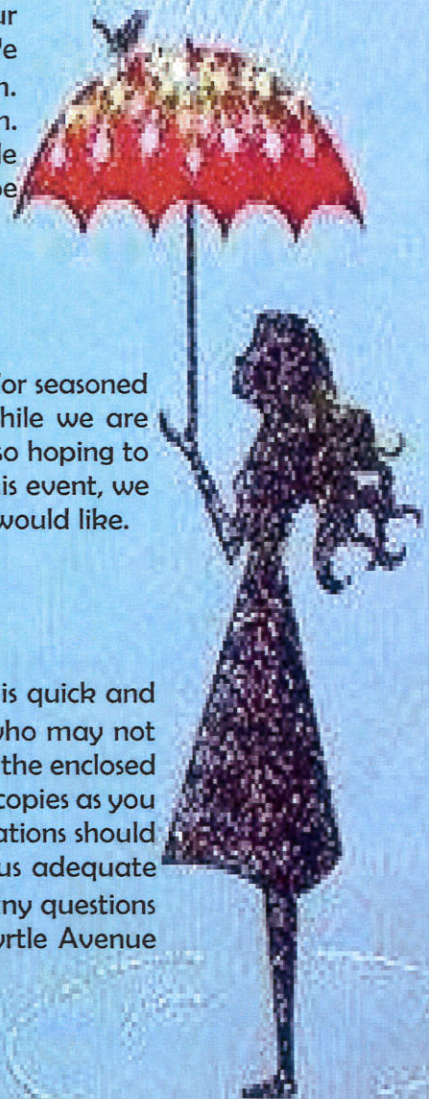

We hope that you will attend and bring friends and family, young and/or seasoned to help make this day a blessing to you and your special guest. While we are anticipating a day filled with opportunities to bond as sisters, we are also hoping to encourage those who may not know Christ. Since there is no cost for this event, we are encouraging you to extend this invitation to as many ladies as you would like.

Registration can be completed on our website:

www.myrtleavechurchofchrist.org

Click on the **Ladies Day 2019** link under **Events**. Registering online is quick and easy and allows you to complete registration for yourself and others who may not have access to the internet. Registration can also be done by mailing in the enclosed registration form. If additional forms are needed, please make as many copies as you like or print a copy of the form from the link on our website. All registrations should be received no later than **Saturday, May 11, 2019**. This will allow us adequate time to finalize the wonderful day planned for you. Should you have any questions or concerns, please visit our website for information or contact the Myrtle Avenue congregation at (562) 437-4311.

*With Sisterly Love,
Ladies of Myrtle Avenue Church of Christ*

Many of us know someone affected by Alzheimer's Disease. A grandparent, an aunt, a friend; some of those closest to us have succumbed to this incurable disease. But how much do you really know about Alzheimer's disease? Did you know women are more likely to suffer from Alzheimer's disease than men? Did you know that 1 in 10 individuals over age 65 have Alzheimer's? Did you know that there are actual lifestyle changes that you can make to help prevent Alzheimer's Disease? The featured panel will provide a wealth of information about the disease, general brain health, and resources for patients and caretakers.
