Life Application Questions

Where am I failing to delight in God’s desire for me, but instead only shooting for the bare minimum?

Where would those observing my life see behavior that doesn’t match up with the grace I have been shown?

Have I embraced Christ with my heart? Is that evident in my relationships with others?

What offenses against me am I exaggerating, that need to be forgiven? Am I aware enough of the mercy I have been shown, that it is moving me to be merciful?
