

## **Strangers in a Strange Land #7**

### **Acts 17:16-34**

*Faith Baptist Church 9-25-16*

This world is a \_\_\_\_\_ place for followers of Jesus.

People need \_\_\_\_\_.

The people of this world are often \_\_\_\_\_ against Jesus.

-Matthew 16:1

-Psalm 2:1-3

The world sees Christianity as just another set of religious \_\_\_\_\_.

-But their curiosity is an opportunity for God's truth.

\_\_\_\_\_ the beliefs of others earns us an audience.

As Christians we do believe we have the \_\_\_\_\_ that people need.

### **The Unique Christian Faith (from Acts 17:24-31)**

*God is the transcendent Creator.*

*God is immanent; His sovereignty extends to every individual human life.*

*God desires to know and be known.*

*Repentance is absolutely necessary.*

*Judgement is coming.*

*Jesus died and rose again.*

Evangelism often requires more than one conversation.

If we share our faith in Jesus well, the response will be \_\_\_\_\_.

### **Life Application Questions:**

1. What things distress you about our world? Do these things motivate you to shine the light of Christ, or to hide away from the darkness?
2. Have you ever tried to share your faith in Jesus with a stranger? With a friend? How did it go?
3. Do you feel that you know the Gospel well enough to share it with others? What is the biggest reason you don't share your faith more?
4. Whose salvation are you currently praying for? Who are you currently seeking to share your faith with?
