## Welcome from Pastor Bob

Whether you're a long-time member or a first time visitor, I welcome you to St. Paul United Methodist Church. Thank you for choosing to worship with us!

I'm so glad you're joining us during our "Freedom" series. We're discussing how to find freedom from the hurts and habits we so often encounter along our life's journey. I hope you will invite your friends as I deeply believe the Holy Spirit will be at work in transforming lives in the weeks ahead.

Take a look at this bulletin, or visit our website, for more information on our ministries, our upcoming classes, and all the many ways we are living into our mission to Glorify God, Grow in Faith, and Give in Love.

The Lord is doing amazing things here at St. Paul, and I'm excited that you are all a part of it.

## GROWTHguide

Day 1: Read Romans 12:9-21, Psalm 30:1-5, and 1 Peter 5:7

*God never promises to remove us from our struggles. He does promise, however, to change the way we look at them. The apostle Paul dedicates a paragraph to listing trash bags: troubles, problem, suffering, hunger, nakedness, danger, and violent death. These are the very Dumpsters of difficulty to we hope to escape. Paul, however, states their value. "In all these things we have full victory through God" (Romans 8:35-37). We'd prefer another preposition. We'd opt for "apart from all these things," or "away from all these things," or even, "without all these things." But Paul says, "in" all these things. The solution is not to avoid trouble but to change the way we see our troubles. God can correct your vision.*

--Max Lucado, *Just Like Jesus*

- Max Lucado asks, "[Has there been a time when] you found good in the bad, purpose in the pain. Did you have this attitude while you were going through the difficulty, or did these insights come later?"
- Do you hold on to the hurt and the pain from your troubles instead of seeing the good? Why? Ask God to help you see your hurts as Jesus sees them: that there is **"good in the bad and purpose in the pain."** Remember that we can have hope because Jesus has conquered death and overcome our sin, our hurts and our pain.
- Ponder the scripture and ask yourself the question: do you pay back evil with evil or with good? It can be easy to respond to those who hurt us with the intent of **hurting them back, but God has called us to be "at peace with all men."**

## Sunday Night Youth Experience

Most of us measure how we're doing by how everyone else is doing. And it's easy to feel like we don't measure up. Andy Stanley explores the challenge of escaping The Comparison Trap.

### TONIGHT: Looking Around

**Bottom Line:** Take your cue from the one who made you. Who is the one person you'd love to hear say, "you're awesome"? Is it your dad? A coach? A sibling? A teammate? We all have a tendency to look toward other people when we want to know if we're okay. And if we're honest, most of us have a nagging suspicion that we fall short no matter how hard we try. It's human nature to look for approval, but what if we've been looking in the wrong place? God has something to say about whether we're okay, whether we "measure up". And it may not be what you think. As we take a closer look, His opinion of us may provide something we haven't yet found comparing ourselves to others.

Join the middle and high school youth on Sunday nights from 5:30–8 p.m. for group games, exciting crowd breakers, passionate worship, biblical teaching, and a chance to connect with others through Source Groups. Meet in the Mariposa Café at 5:30 p.m. and then the group will branch out to the Youth Room, the Gym or the Fellowship Hall depending on plans for the night. Dinner is \$4.

## Parents' Meeting with Source Group Leaders Tonight

Source Group Leaders are the ones who connect personally with your student each week. They challenge them to apply the Word of God to their lives, and listen

to their struggles, their victories and their prayer requests. Tonight, parents of Youth Ministry students are invited to a Source Group Leader meet and greet where they will have the chance to connect with Source Group Leaders. Parents and students will eat dinner in the Fellowship Hall together at 5:30 p.m., then parents will have an opportunity to speak with Source Group Leaders, to share how they can pray for you and your family this year, and to partner together to better reach your student for Christ.

## TECH SAVVY PARENTING

Sundays at 6:00 p.m. Room 201 of the CLEC (Community Room). Starts tonight.

After dinner and the meeting, parents are invited to stay for our Tech Savvy Parenting class at 6:00 p.m. This class offers practical tools to help parents understand the technology their children are using, as well as to set responsible limits and ensure that the entire household is using technology wisely.

## Sign Up to Help with the Pumpkin Patch

It's almost Pumpkin Patch time! We're asking that our students work at least 3 shifts. They'll earn money in their Youth Account, or they can use the time for community service hours. Adults, parents/grandparents, college students, we need your help too! You can sign up by visiting [stpaulumc.org](http://stpaulumc.org) and clicking on the Pumpkin Patch Sign Up link.

# Give in Love

## Arts and Crafts Show Volunteers Needed

The 19th Annual Arts and Crafts Show is Saturday, October 11 from 9 a.m. to 3 p.m. This event raises a lot of money for the missions of St. Paul, and is a great opportunity to welcome the community. We need lots of help on the day of the event, as well as some help getting set up on Friday. If you can volunteer, please visit our website [stpaulumc.org](http://stpaulumc.org) and fill out the sign up form. You can help for 2 or 3 hours at a time, or stay the whole day.

## Help with the Pumpkin Patch

Join with us for this great fall tradition as we serve the community through this year's Pumpkin Patch! We will need plenty of volunteers to help with unloading on October 4 from 9 a.m. to 1 p.m. The youth will be helping out with the patch from Oct. 8-Oct. 30, but we need at least one adult per shift. If you can take a shift, sign up online by visiting [stpaulumc.org](http://stpaulumc.org)! The money raised will help the Youth Ministry reach students for Christ through worship, retreats, missions and events.

## Volunteers Needed to Support Ponce de Leon Elementary School

The Back to School Jubilee has ended, but we would like to continue to grow our relationship with the families at Ponce de Leon Elementary by providing volunteers who can serve as tutors, teachers' assistants or office volunteers. There is no cost, but volunteers will need to complete an application and provide a copy of a picture ID for a background check. Volunteers do things like help in art class, read with students, or help them with math. If you are interested, please e-mail Pam Dubov at [pam.d@stpaulumc.org](mailto:pam.d@stpaulumc.org) or call the church office to leave a message for Pam. This is a great opportunity to see the children we served in August again, and to share the love of our Lord and St. Paul with our new friends at Ponce.

## Candy Donations for Spooktacular

Our Children's Ministry will be hosting a booth at the City of Largo Halloween Spooktacular again this year. This is a wonderful way to introduce our Children's Ministry and St. Paul to new families. We need donations of individually wrapped candy to give out at the booth. If you can donate, please drop your candy off at the church office or in the shopping cart in the lobby.

## Recoating the Gym Floor

Regular maintenance of the gym floor prevents costly damage and repairs later on, while maintaining good traction and a safe playing environment. The Basketball Ministry of St. Paul would appreciate your assistance in raising funds toward the \$2,446 cost of recoating the floor. If you are willing and able, please make your donation check(s) payable to St. Paul UMC and write "Gym Floor" on the "for" line. You may also donate using our online Giving page at [stpaulumc.org](http://stpaulumc.org).

# VOLUNTEER SPOTLIGHT

Carl Simon

There are many things to admire about Carl Simon, member of St. Paul since October of 2005. Ever since he and his wife, Linda, joined the church, it has been a familiar sight to see Carl carrying his Bible as he and his wife enter church for worship or Bible study. For years, Carl has **been active in the men's early Tuesday morning Bible study.** He also currently serves on the Committee on Pastor-Parish Relations. Whether he is speaking encouraging words in Bible studies, church meetings or in one-on-one conversations, Carl is dedicated to sharing the good news of **Jesus with others.** **Carl's commitment and love for our church and all he does to support the church with his time, talents, service, financial support and witness are an excellent example for all of us.** Carl and Linda, we love you with the love of The Lord!

## Staff Draw Closer to God at Conference

Thanks to generous gifts from donors who support the continued education of our ministry staff, three of our staff were able to attend a worship conference in Orlando the first week of September. Shaun Powers, Laurel Fortuna, and Alison Van Duyne were all blessed to immerse themselves in worship, and soak up God's love.

## Handicapable Cheer on the Rays

One of the activities the Handicapable love to do is see our Tamp Bay Rays play baseball. Thursday evening, September 4, over 40 Handicapable baseball fans saw the Rays play the Toronto Blue Jays. Even though the Rays lost the game in extra innings by a score of 1 to 0, everyone enjoyed being a part of the fun atmosphere at Tropicana Field. Many thanks go out to David and Kendra Pless, who gifted our Ministry 15 tickets for the game. Go Rays!
