Welcome from Pastor Bob

Welcome to St. Paul United Methodist Church! **Whether you're** a long-time member or a first time guest, I'm glad you're worshipping with us this Sunday as we begin a new series on Parables. Parables are short stories that have a deeper meaning. Through parables Jesus sought to reveal the truth of the Kingdom of God and to teach us the meaning of life. Some of these stories are simple to understand, while others are more challenging. Over the next few weeks we will take a deeper look at what the parables of Jesus mean for our faith and our lives today.

Take a look at this bulletin for information about other upcoming events and ways you can Grow in Faith and Give in Love. I invite you to visit our website at stpaulumc.org, or stop by the Connection Center off the side of the sanctuary lobby if you would like to know more about us and our ministries.

Thank you for being part of the Lord's work here at St. Paul. With God's help there is nothing we can't do!

10:30 CONTEMPORARY WORSHIP

A typical contemporary worship at St. Paul lasts about an hour. Worship is filled with current Christian music from our praise band. You are invited to sing along with the words on the screens, or simply enjoy the music. This week we are serving Holy Communion. All are welcome at Christ's table. You'll notice there is a time in our worship to give financially. This is how we support the ministries and missions of our church. We hope you experience the love of God with us today!

Year-to-Date Financial Update
From Executive Director of Church Administration

JUNE	2016	2015	2014
Income	\$670,737	\$638,693	\$636,004
Expenses	\$703,958	\$749,975	\$672,469
Net	(\$33,221)	(\$111,082)	(\$36,465)

I have good news! We have had five months of strong income, which allowed us to operate in the black through May. We now enter the summer months where historically church income trends lower due to people travelling. As income lowers, expenses over the summer generally rise to support the many student and children's ministries such as summer camp and Vacation Bible School, so we close the books for June with our expenses exceeding our income by \$33,221. This means we are currently running a deficit. Even with this fluctuation, you can see from the chart above that we are ahead of our prior three years.

Another piece of good news is that the investment our Board of Trustees made installing new windows, HVAC systems and roofs is paying dividends in our electric costs. We continue to see savings in the operations of our facilities.

Let me thank every one of you for your continued support of the mission and ministry of St. Paul UMC! Please take time to review your recently received giving statement. If you find you need to catch up on your pledge or offering due to summer travel you may do so at any time. Let us all thank God for the dynamic summer of ministry we have experienced and look forward to the coming fall!

Blessings,
Arch Johnston

August's Sunday Lesson Series
Weird Science

THIS WEEK

Bottom Line: I should trust and obey even when I think my way is better.

We kick off the month at the beginning of the Bible with Adam and Eve in the magnificent paradise God created for them. Yet, as we discover in Genesis 3:1-24, Adam and Eve decided that they would rather make up their own rules than follow God's. Rather than trusting God's plan, they trusted their own. The consequences they faced changed history.

"Trust in your leaders. Put yourselves under their authority. Do this, because they keep watch over you."
Hebrews 13:17a, NIV

Fill out the connect card on page 4 to pre-register now for a fun night for the whole family! Our Finding dory themed night will include dinner, lots of games and activities, a devotion, and more.

Cost: \$3/person or a maximum of \$10/family

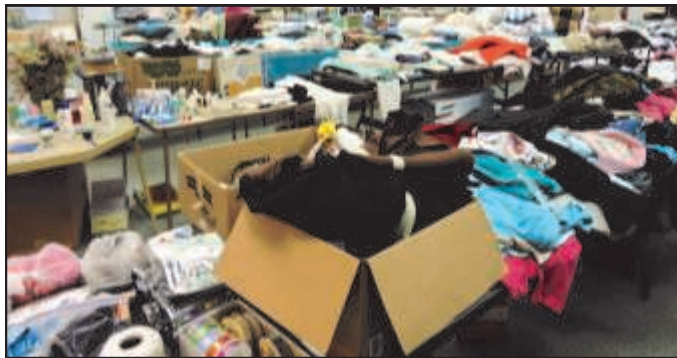

Help on Sunday Mornings

- **Worship Arts Technical Crew**—We have some outstanding volunteers on our Technical Crew, but we are still trying to build a larger team to help behind the scenes during worship. We especially need helpers at 9 a.m. We have jobs for all ages and physical abilities, from running the lyrics on the screen and other behind the scenes jobs. You do not need any technical knowledge or special skills to help out, we will train you!
- **Greeters and Ushers**—Each Sunday our ushers and greeters are some of the first faces people see as they come to worship. We need friendly people to welcome folks as greeters, and to take part in worship as ushers at both worship times.

If you can help in any of these ways one or two Sundays a month, please fill out and turn in a Connect Card or contact our Senior Director of Worship, Laurel Fortuna 584-8165 x216 or email her at laurel.f@stpaulumc.org.

United Methodist Women Rummage Sale

If you have furniture or gently used household items you'd like to donate to the March 2017 Rummage Sale, we are now accepting donations. You can drop items off in the trailer on the north side of the Open Arms building on the second Saturday of each month between 10:00 a.m. and 12:00 p.m. Please wrap all glass items and pack them in a box.

Furniture pick-ups will begin in December. We do not have anyone to help us pick up furniture right now, which is why we're making the trailer available for drop offs. If there are any strong individuals who are able to help make pick-ups, please let us know by filling out the Connect Card in this bulletin. If you have any questions, you may contact Rita Fowler at 585-0273.

For over 15 years, Jim Puyda has been a member of and volunteer for the St. Paul Handicapable Ministry. Jim arrives early for the Wednesday worship services and helps in so many ways throughout the evening. A few of our students come early around 6 p.m. to play basketball in the gym, and he is always there to help them with their shooting. Once basketball is over, Jim goes up to our computer lab, where he assists Beverly, Kathy, Libby, Allen and other volunteers who help make our computer time fun and an excellent learning experience.

Jim Puyda

Jim has also been actively involved as a coach for our Handi Special Olympians in track and field events and bowling. All of our Handi family members especially love it when Jim uses creative video special effects on his Special Olympics DVDs.

A couple of weeks ago when Handicapable had special guests from Van Dyke Church in Tampa, Jim gave our guests a tour of our basketball gym, computer lab and explained in detail what our Wednesday evenings at Handi are like. Jim always represents the ministry well! **He is one of God's Special People who is so skilled in making others feel welcomed at our events.** Jim, we love you with the Love of the Lord and count our blessings that you are such a faithful part of all we do with Handicapable!

Join us on Wednesday Nights This Fall

In September we have studies and activities planned for all age groups on Wednesday nights starting September 7. Join us in the Mariposa Café at 6 p.m. for fellowship and snacks, then at 6:30 p.m. make your way to one of the classes or groups below.

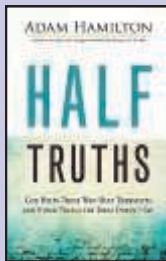

Marriage Enrichment Class: "Love to Stay" Community Room (201)

What is it that makes a marriage last? From the moment you say, "I do," marriage involves many different dynamics that can be challenging, yet also rewarding. Pastor Bob and his wife Patti will lead a marriage enrichment class using the study authored by Adam Hamilton, "Love to Stay." Each week will offer an opportunity for couples to dig deeper and find the abiding truth that will help marriage last forever. Seating is limited so it's important to sign up if you plan to be part of this wonderful study. You can fill out the Connect Card in this bulletin or call the church office at 727-584-8165. Cost is \$20, which includes a book.

Starting Point - Mariposa Café

This four week class is open to anyone who is new to the church or is coming back to the church after time away. It covers who we are as Methodists, basics of our faith and a spiritual gifts assessment.

Half Truths Study

This Adam Hamilton study examines common Christian clichés and phrases like "God helps those who help themselves" and "God won't give you more than you can handle" and compares them to the message and ministry of Jesus. The study deepens our understanding of God, our relationship with our Creator, and our relationships with each other. Cost TBA.

Grief Share - Ignite Room (202)

See page 5 for more about this grief support group.

Worship Arts for Children - Arts and Crafts Room (243)

Kids are invited to join us for music, worship activities and more. Kids will also have the opportunity to share the songs they've learned during worship on special Sundays like Mother's Day.

Student Ministry Bible Study - Youth Room

Students are invited to a weekly Bible study as they take time to get into God's Word each Wednesday.

Handicapable Ministry

Each week Handicapable hosts their Wednesday worship at 6:15 p.m. in the LuAnne Willey Fellowship Hall. Anyone is welcome to attend!

Good News

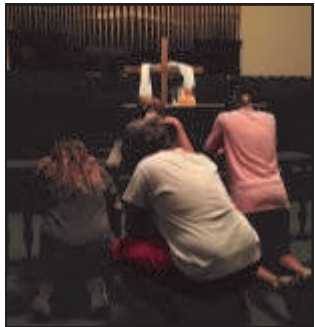

Student Mission Trip

Twenty-two of our students and five adult leaders served in Tuskegee with the Alabama Rural Ministry (ARM) from July 16-22. The theme of the week was "Simplicity" and the students lived this out as they served. They stayed at a church with spotty air conditioning. With the heat index sometimes hitting 116, the nights in the bunk rooms were hot. The students and leaders showered outdoors in a trailer. They all took turns making meals, doing clean up, leading devotions and other jobs that rotated all week.

Our students divided into groups, two of which worked on home repairs, and one of which provided day camp for underprivileged kids. Many of our students had never painted, scraped, or used tools prior to the trip, so it was quite a learning experience. The first home repair group did a kitchen renovation on a flood damaged trailer. They pulled up damaged flooring and put in new floors, as well as cabinets, shelving, and a new oven donated by the St. Paul team. The second home repair team helped restore running water to a woman's home. Her pipes burst in early 2015 and she'd been living without running water since then. They also took down her rickety deck and replaced it with a sturdy one. Students sealed wood, used power tools, helped weatherproof her roof, and dug holes for the new deck. A huge thank you to Mark Miller, Kelly Goehl, Joel and Sharon Johnson, and Alison Van Duyne, our adult leaders. They were crucial to making this trip to happen!

The rest of our students led the Alabama Rural Ministry's free day camp, which is provided by different church volunteer groups throughout the summer. Our day camp provided worship, arts and crafts, snacks and recreation. Students used the story of Ruth to teach the kids to accept others who are different, and built relationships with the children, many from single-parent homes and many who were impoverished.

It was hard work and an eye opening experience for many of the students, just two of which had been on a mission trip prior to this. Everyone who attended the trip was blessed beyond measure by the relationships built with the families we served and with the different church groups that were there with us. For many of the students this trip was possible because of your donations through the Coins for Lent and the Mission Envelopes projects. Because of you, we were able to cut the students' costs in half from \$300 to \$150. We are so grateful to everyone who took part in this mission trip through giving and prayer! We look forward to serving again next summer!
