

Stars and Promises 2015

A Restless World, A Silent Night....

Guitarist, vocalist and songwriter, Peter Mayer has been quietly and steadily building a fervent following across the country, stepping outside his role as one of Jimmy Buffett's Coral Reefers to front his own band, The Peter Mayer Group. Melding a unique and eclectic writing style, a distinctive voice, and virtuoso musicianship, Mayer and his band create compelling and accessible music that is electrifying in live performance.

Each December, the Peter Mayer Group embarks on its holiday tour, Stars and Promises. These performances that kick-off the holiday season have become a thrilling and meaningful part of the holiday celebration for many. The "Stars and Promises," concert tour consists of original and traditional Christmas music played by an expanded musical cast that include guest artists such as noted Native Flute player Mark Holland and virtuoso fiddle by Maggie Estes. Don't miss this chance to experience "Stars and Promises" and make it part of your Christmas tradition.

This show will benefit Blended Spirits Ranch, a local organization that utilizes Equine Assisted Learning /Equine Assisted Psychotherapy (EAL/EAP) to help at risk youth, families, adults, as well as veterans within Erie County. It's a non-traditional form of therapy that's working wonders. Their mission serves a dual purpose. They rescue abused and neglected horses and get them back in good health mentally and physically. They then introduce the horses to veterans with post-traumatic stress disorder, or at-risk youth and the interactions with the horse provide a therapeutic bond for these individuals.

We are currently seeking sponsors to help bring this event back to the Erie Community again this year, December 10th at the Wayside Presbyterian Church.
