A little bit about us

If we were to sum up who we are as a church, it would be this; Hillside Christian Fellowship is a church that fully intends to saturate our community with the irresistible love of Jesus Christ by any means necessary.

But truth be told, it's impossible to know everything about us in a single visit. So, if you want to know more about who we are, what we believe and so on, hang around, give us a month or so and then make up your own mind.

And while we're at it, were you blessed by the service today?

We were!

With every blessing in Christ,

All of us here at Hillside Christian Fellowship

Plugging in

There are just so many ways to get to know others here at Hillside, simply keep an eye out for what's going on. We have vibrant Men's and Women's fellowship and you'll find people easy to get along with. We have exciting youth and children's ministries, where both teens and kids connect immediately.

Of course we have various Life Groups where we meet together for Bible study and simply connecting with one another.

And yes we have several outings during the year, from our monthly afterglow meals to our annual all church camp out and lots in between.

Learning more

If you're looking to grow in your Christian faith we encourage you to join us for our verse by verse Sunday evening service at 6:00pm.

If you're just exploring the Christian faith and wondering what a relationship with Jesus Christ could possibly mean, we would recommend the Christianity Explored Course or talking with one of our pastors.

Of course you may want to dive right in and join us on Sunday mornings from 9:00-9:45am for our Adult Sunday School classes. The studies are a bit more challenging but the atmosphere is always jovial and encouraging.
