

SonRise Christian Preschool strives to provide a warm and loving, Christ centered environment where children can develop to their greatest potential - spiritually, socially, cognitively, emotionally, and physically.

SonRise Christian Preschool exists to bring children into a relationship with Jesus Christ, grow them up, and gather them into a Christ-centered community where they can experience and express God's love.

It is the position of SonRise Christian Preschool that all children need to hear and experience Jesus' love on a daily basis. We believe that each child is a unique and special gift from God that learns best about their world through play, exploration, and developmentally appropriate activities.

The program at SonRise Christian Preschool is planned to meet the individual needs of each child. We will nurture their cognitive, emotional, social and physical growth at each individual child's level of development, no matter what their age. We believe that children need to develop fluency in language, continue to be curious, be exposed to beauty in nature, and expand their creativity.

Our learning environment contains hands-on experiences for children in the areas of Literature, Letter and Number Readiness, Art, Music, Self-Esteem Building, Creative Movement, Cooking and Outdoor activities!
