May brings us two of our favorite holidays. Mother's Day is a good day to celebrate but also a hard day for many of our people who continue to miss the mom who gave them so much guidance during the years of her life. Then, Memorial Day helps us remember to be thankful and show gratitude to those who have served our country, to fight for the freedom we enjoy today. Thanks to our veterans around 3C.

If you remember, it was May 2016 that we were involved with DIG. Hardly seems possible that nearly a year has passed since we gathered at camp and made commitments to help pay down the debt on the west property. Thanks to the many of you who have continued to be so faithful in paying down the mortgage on the property.

**Dan Asche** That loan now stands near \$425,000 thanks to your giving over a \$100,000 in this past year. Also, thanks to those of you who felt like you couldn't make a financial commitment but you give to DIG and pray for the success of our church family in reducing our debt. I hope you will be with us on Sunday, June 4, as we celebrate **One Year of DIG** with some cake and punch between worship times in the Connecting Place. That same day we will be recognizing our high school graduates during the 11am worship service.

A few families have joined us over the past year and this may seem like new information to you. It's all part of a relocation plan the elders led the church back in 2005. Fifty acres were purchased with the intent of building a new campus on 22 acres on the south side of State Route 125 just west of Bethel. While the remaining 28 acres were to be sold. That plan still is a part of our over-arching vision. The south side will one day give us ball and soccer fields, a facility that, we think, will at first be a Family Life Center allowing us to be able to worship and use during the week as a gym/sports facility. That is simply a plan/vision our elders thought about and prayed over; it's a good vision.

In a recent Finance Team meeting they approved funds of \$3,000 to install a culvert on the new property, allowing us access off Crane Schoolhouse Road to a very small gravel parking lot where you can drive in, sit on a wooden bench near a cross, and spend a few minutes in prayer. I hope you will also dream a little – not so much about a building or facilities, but about people. Reaching people with the message of Christ is still our main priority at Community.

To those of you who are ready to walk an aisle and finally get that diploma – congratulations. Big days are worth celebrating and remembering. You have worked hard to achieve a significant mile stone in your life. May God bless you as your career path begins or as you move on to another level in your education.

Psalms will be our topic of study during the months of June and July. Then in August we will be talking about *Our Team*.
