Kids Kove News

March flew by with our interactive and meaningful Holy Week lessons each Sunday, Easter performance practice and learning the books of the Bible with Wednesday Night Kids. I am looking forward to finishing the school year strong and gearing up for summer fun!

Wednesday Night Kids– The last night for our weekly Wednesday children's program will be May 9th.

Mother's Day and Infant Dedication– We will have an infant dedication during the 11:00 service on Mother's Day. If you are interested in having your child dedicated please email me at 3cchildren@gmail.com. Additionally, we will be celebrating ALL moms that day with family activities and a fun photo booth!

Kids' Reachout Roudup– Mark your calendars for a week of fun filled evenings learning about Jesus! July 23-27 6-8pm! Ages 3 years -5th grade. Keep your eyes peeled for volunteer opportunities.

As you've probably noticed, we have added a full door between the Connecting Place and the Kids Kove hallway. We also moved the preschool classroom to the back room. This will allow us to further secure Kids Kove by only having one entrance/exit through the check in area. This added security measure, as well as vigilantly checking every family's sticker, will help ensure the safety of every child in our care. As always, if you have any questions or concerns, please do not hesitate to reach out to me.

We have many ministry opportunities available. Take some time to pray about where God can use you to help people in **changing, connecting and caring** at Community. Contact Connie Cravens. She would love to help you discover your piece in the 3C puzzle.

Dan Asche

Many thanks to Mark (he is such a talented guy) and all the others who served and gave of themselves to make the Sunday evening concert happen. If you missed it, I'm sorry. It was a wonderful concert by many of our local musicians from the various churches. Then the cookies, pies, bars and cake were much appreciated. Thanks to all the ladies who ran the kitchen and kept the tables filled. It was a good night to start off Holy Week.

Our Egg Hunt was either a Snow Out or a Rain Out depending on what time you looked out the window last weekend. So Nicole and company will try it again this Saturday at 2pm. Thanks to all of you who supplied the candy. Thanks to all of our people who came and stuffed eggs. We all know Easter is about Jesus and His Resurrection from the dead. However, you have to admit, it's a treat to watch the kids find the eggs. Parents take the hint – let the kids collect the eggs!

Easter and spring time remind us that our c-group season will be winding down within the next month or so. One of the changes this year was the addition Kyle made for our RightNow Media. I know many of the groups have used various Bible Studies from the library of studies RNM has available. This site is available to all of you for FREE with an access code. If you missed the one Kyle emailed to you, please let him know.

Our church needs more groups. Perhaps over the next few months you could pray about starting a group at your house, or a local restaurant ,or maybe at the church building. Groups provide the relationships and the opportunities to grow as a Christ follower. Something to think and pray about.

One of the tensions our leaders live with, at almost every meeting, is how to adapt an old building into all the changes going on in our world today. We know our building has its drawbacks. That is why the leaders back in 2004 asked you to support them as they moved forward to buy the property west of town for relocation in the days to come. I know that was a long time ago. You probably had no idea it would take this long to sell the north 30 acres of property. It has been listed for \$290,000. Soon a new realtor will be selected and we continue to pray for the land to sell. We owe in the area of \$340,000 on the loan for all 50 acres.

I know when I first came in April of 2008 I had no idea how difficult it would be to keep our present building, not just in good repair, but to keep it safe for our people and guests, as well. We were told by a church growth guru that you need a coffee/connecting area or a fellowship type space on the main entry. So, the offices went to the old parsonage and the Connecting Place came about.

Over the years we have had to undertake repairs and various projects we would rather have skipped. The man behind the curtain for making it happen is Paul Morford with his assistant Alan Faulkner. The hallway safety door to protect our children was much needed. Alan's paint team of John Longbottom, Brad Sayles, and Melvin Eckert cleaned up our connection area. Thanks guys.

Happy Easter, see you all on Sunday.
