Last Sunday we celebrated the Kindergarten graduations of two amazing Kids Kove participants, Ray Dickerson and Arianna Kreimer. Congratulations to both of you for working so hard this school year! We know you'll be great first graders!

A few weeks ago I spoke about serving and opportunities to get involved in our church family. There are several upcoming opportunities to step in and begin serving in our children's ministry. A lot of hands make for light work!

Kids Reachout Roundup (VBS) is quickly approaching! It is July 23-27 from 6-8pm each evening. We need MANY volunteers to make our program successful. We will need help with lessons, decorating, food, music and much more! If you are able to help in any way please call or email me.

Sundays: We have several open volunteer positions in all classrooms. Please prayerfully consider giving one hour each month of your time to Kids Kove and build into our youngest generation of believers.

Summer activities are in full swing! I am looking forward to serving with you this summer!

Nicole

I always look forward to May, as the days grow longer and the temperature warms up. However, it's one of those months that seems to fly by as we celebrate Mother's Day and we stop to remember, as well as pay tribute, to those who have sacrificed for us to enjoy the freedoms we have. Our student ministry recently remembered and celebrated those who served our country by attending an Honor Flight. I remember the thrill when Edgar Pride and Blair Pride both returned from their Honor Flights to Washington DC.

Dan Asche

The summer months are upon us with our PrimeTimers heading off to Johnson University to *Senior Saints in the Smokies*. We have young people going on a mission trip with YouthWorks in West Virginia, as well as a week at camp. Around 20 of our adults will give up a week of vacation time to serve in Memphis TN in late June. While many of us will work and serve with Nicole as we have our Kid's Reachout Roundup July 23-27 [Vacation Bible School].

All these type of activities and ministries are only possible because of a loving church and caring church family. You are the ones who will teach kids this summer. You are the ones who will contribute towards a general fund that provides church vans and gas so our people may travel. You are the ones who pray for people to come to Christ [8 baptisms thus far in 2018]. You are the people who provide funeral meals, give tech support each week in our balcony, and encourage our leaders and staff. You are the ones who have served twice a month in the Kroger Soup Kitchen. Thank You.

Many thanks to Iron Sharpens Iron [Men's Tuesday Night Group] for tackling the drainage problem by the east double doors. They dug up and installed about 25 feet of drainage pipe, back filled and graded the area, and topped it off by planting grass seed. Many thanks to the Outside Property Team for the fresh look along the front of our property and the mulch alongside the wheelchair access ramp. Keeping an old building looking good and in good repair is expensive and time consuming. Thanks to the many of you who jump in and serve.

Getting to Heaven is a journey. Enjoy the people you are traveling with.

Thanks,
dan
