Because we are concerned for your safety please do not feel obligated to attend or serve at any ministry activity if you feel uncomfortable driving.

Our campus will be closed whenever Bethel Tate Schools and evening activities are cancelled due to inclement weather or a Level 2/3 snow emergency is declared for Clermont County. Weekend worship services will be held unless a Level 3 snow emergency is in effect for Clermont County.

If you call Community Christian your church family, or if you have questions about 3C and have never taken this introduction class, we want to invite you to join us. This is a great time to discover who we are as a church body and how we hope to care, connect, and change people in a Christ-centered community.

FAST AND PRAY. Join our elders in 2019 as they fast on the first Monday of the month for wisdom and discernment as we plan our future days in reaching people for Christ. Choose an all day fast, or just one, maybe two meals a day. We realize some of you may have medical conditions that would hinder you from fasting. If that is the case we still ask you to join us in prayer every first Monday.

A word from Kyle:

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. (Galatians 6:9)

This section of Galatians is talking about what side shall we choose? Flesh or Spirit? I worry about how many fleshly options there are out there in today's world. Phones, computers, classrooms, hallways, streaming television allows ALL kinds of fleshly options. What spirit options are being planted and watered in your life? In your student's life? I hope occasional church attendance isn't the only thing happening with you or your student. I hope there's private time with God to work on watering those "spiritual plants." Obviously student ministry exists to help in this area too. Hope you will consider or continue to make it a priority.

HOW YOU CAN HELP

God calls us to serve to bless others' lives, to find a sense of community, and to increase our own capacity to love. **Yes, we need you.**

Wednesday Evenings: 6:15-8pm during the school year

Wednesday nights are fun, upbeat evenings for kids to get full bellies, time in fellowship, and learn how to serve others. We get out of our chairs and into the community with field trips and service projects. If you like games, laughter, and building into kids then Wednesdays are for you!

Sunday Mornings: 9:15-10:45am or 10:45am-12:15pm Ages birth-5th grade

Be a building block in the foundation of a child's faith. We have a volunteer friendly lesson, activity, and worship time in each classroom. If you prefer structure and teaching then Sundays are for you!

Our Wednesday Night Kids are on a mission this year to serve God, family, friends, community, and our world just like Jesus! Last Wednesday, we made cards and letters for our soldiers. We are going shopping for care package items this month to send to our troops! We also made **300** valentines for children in Children's Hospital. These kids are hard workers and **AMAZING** hands and feet for Jesus!

If you would like to contribute to our project by donating any items for the troops or by making a small cash donation towards our shopping field trip we would really appreciate it! You can drop off donations any Sunday in February at the Kids Kove desk or at the Connection Counter. We would like to fill as many boxes as possible through **YOUR** donations and our kids' servant hearts!

Stay warm! ~ Nicole

We have many ministry opportunities available. Take some time to pray about where God can use you to help people in **changing, connecting and caring** at Community. Contact Connie Cravens. She would love to help you discover your piece in the 3C puzzle.

In the early years, comedy for Tim was falling out of chairs in math class or drawing goofy likenesses of various study hall teachers in the blue-collar steel town of Latrobe PA. Eventually, he evolved into a bona fide funny guy. His early career was spent as a church teen counselor and as a history teacher. Armed only with a guitar and a twisted sense of humor, Tim first began to create comedy songs in his work in summer youth camps. Today, Tim travels around the country performing at conventions, corporate meetings, colleges, schools, and churches. He uses songs, impersonations, characterizations, and his specialty, the Wisdom of Mr. Clue. Tim is a squeaky clean comic. He currently lives in Cinti OH and works with BLOC ministries, an inner city outreach. He has three fab kids, 3 grandkids, and a gorgeous wife Lisa.

Hey Community!

Hope you've been in prayer for our whole mission team while they're in Egypt. Not to brag too much about our church but do you ever just sit and think about how cool it is that there are people from Bethel in Egypt? Things like that leave me impressed by all our people who are so mission minded and reaching out to those in need of help or the Gospel. Will you join us as we continue to pray for them and their work in Egypt?

We hope you've noticed what we have going on here at Community. February 8 we're excited about the Coffee/Dessert night. Did you know there are people out there that do not know they can just show up to a church for worship? I am sadly serious. People need to know they are welcome. Like it says in Romans 10: *And how can they believe in the one of whom they have not heard?* I'm sure there are people in your life that listen to you. What a great opportunity to introduce our church to people that need to know Jesus and maybe have a fun evening while we're at it. Would you be bold enough to pay for some extra tickets in order to "force yourself" to invite some people to go?

We also have a staff and elders retreat coming up February 22-23. This will be a great time for the staff and elders to connect and map out a vision for Community Christian Church for the next year and beyond. Would you be willing to pray for us? We are excited about being months away from being debt free and look forward to what is next in our future as we bring in David Roadcup from TCM [Taking Christ to Millions] International Institute.

Speaking of things to be in prayer for, we have been praying for who will be our next worship minister. We wish Mark and his family the best. If you've appreciate them and their family would you tell them? I'm sure it would mean a lot to them as I will definitely miss having them here at CCC. Mark's scheduled last Sunday with us will be February 17th. We pray his family's transition to Mt. Vernon goes well.

Kyle
