Are you tired of hearing about the virus? I have to admit – I am. Yet, there are so many things going on in our society today that we all have an opinion about. Be it the debate about masks, school reopening, defunding police, social distancing, red states/blue states, racial equality, etc. These are all hot topics in our society. You also know, as we get closer to November and a national election these debates will intensify.

Here is the problem. If you have tried to be a Christ follower you have read in the Bible that we treat all people with love, kindness and sincerity. Just as we have been studying about in 1 Peter for several weeks now, we seek to live in humility and harmony with all people. We also hear Paul say in Romans 12 that we are to seek to live in peace with all people.

Over the years since you have accepted Christ, be that 5 years or 50 years now, we have tried to live by the principles of the Scriptures. But truthfully, many in our society have not. Society has its problems and it always will because it is composed of imperfect people. We, in the church, can complain about all of this or we can see it as an opportunity to speak humbly about how the answer for much of the woes of our society are found in the Bible.

Call that “Old School” if you want, but God’s Word is for all people of all ages and generations. We listen to others speak and when we believe the time is right, we offer suggestions as how the problems of society might find a better solution if people would listen to the voice of the Lord as found in His Book.

Community has sought to do that here in Bethel for 198 years. Might we continue to do that for another 198 years. This Sunday we will talk about living with a clean conscience as we seek to serve the Savior.

Thanks,
dan

If you have a request please email or call the office so that we can share it with our church family. If you would just like your needs/concerns to remain private it will only be shared with the elders and staff.

Don't fret or worry. Instead of worrying, pray. Let petitions and praises shape your worries into prayers, letting God know your concerns. Before you know it, a sense of God's wholeness, everything coming together for good, will come and settle you down. It's wonderful what happens when Christ displaces worry at the center of your life. Virtual Vacation Bible School Deadline July 24

Each morning we will post 30-40 minutes of fun, music, lesson, and craft instructions. Families can watch the content at a time that works best for them and then join a 15 minute google meet where we review the lesson and play a game. These meetings will be available each morning and afternoon. Each child that registers will receive a box of craft supplies for the week. - Lianne
