If you have a request please email or call the office so that we can share it with our church family on our private FB prayer page. If you would like your needs/concerns to remain private it will only be shared with the elders and staff.

Don't fret or worry. Instead of worrying, pray. Let petitions and praises shape your worries into prayers, letting God know your concerns. Before you know it, a sense of God's wholeness, everything coming together for good, will come and settle you down. It's wonderful what happens when Christ displaces worry at the center of your life. Philippians 4:6-7
